

#815 The Black Horse Rider – 62 years from Sergeant York’s heroic day of October 8, 1918, to the December 8, 1980, Assassination of John Lennon to show the judgment of the Red Horse Rider by the Rev. 6:2 White/Rev. 6:5 Black Horse Rider

This Unsealing answers the question of why the Lord ordained the heroism of Sergeant York to occur specifically on the date of October 8, 1918.

Key Understanding: 62 years from Sgt. York’s heroism to the death of John Lennon. The Lord ordained that there be 62 years between the heroism of Sergeant York on October 8, 1918, and the December 8, 1980, death of John Lennon, which was foretelling the December 8-10, 1991, defeat of the Revelation 6:3-4 Red Horse Rider Soviet Union by the Revelation 6:5 Black Horse Rider U.S. [Reference Unsealing #410 The Men Named Lennon and Lenin – Daniel 12:8: What shall be the end of these things? The December 8, 1980, End of Lennon forecast the December 8, 1991, End of Soviet Leninism.]

On February 7, 1919, Sergeant Alvin C. York, 328th Infantry, returns to the hill in the Argonne Forest, near Cornay, France, where he and 17 other men captured 132 German prisoners on October 8, 1918

Linking Rev. 6:2 with Rev. 6:5. The purpose of the 62 years between the two events was to further confirm the connection between (a) the World War I events that birthed the Revelation 6:2 Woodrow Wilson White Horse Rider United States and the Revelation 6:3-4 Red Horse Rider Soviet Union, and (b) the “*time of the end*” Cold War judgment of the Revelation 6:3-4 Red Horse Rider Soviet Union by the Reagan-Bush Revelation 6:5-6 Black Horse Rider United States.

The White Horse Rider (Woodrow Wilson/U.S.) and Sergeant York, the man

Revelation 6:2 (KJV) And I saw, and behold A WHITE HORSE: and HE [Constantine the Great representing *Second Rome Christian Autocracy*, with the prophetic step to Woodrow

Wilson representing *Fourth Rome Christian Democracy*] **THAT SAT ON HIM HAD A BOW** [represented by **Sergeant York, the greatest American soldier hero of World War I, on the specific date of October 8, 1918**]; and a crown was given unto him: and **HE WENT FORTH CONQUERING, AND TO CONQUER.**

The Black Horse Rider (Ronald Wilson Reagan/U.S.) and Sergeant York, the horse

Revelation 6:5 (KJV) And when he had opened **THE THIRD SEAL**, I heard the third beast say, Come and see. And I beheld, and lo **A BLACK HORSE**; and he [Ronald Reagan, who was **65** years of age the day Black Jack died on February 6, 1976, and who then died himself on **6/5/2004**, symbolically dismounting for the last time Black Jack's 'replacement,' Sergeant York] that sat on him had **A PAIR OF BALANCES IN HIS HAND**. [December 8-10, 1991, was **11 years after the December 8, 1980, foretelling death of John Lennon, which was 62 years + 2 months after the October 8, 1918, heroics of Sergeant York**. December 10, 1991, was Black Horse Day, meaning that the Black Horse Rider U.S. defeated the Red Horse Rider USSR on that day, during the administration of George H. W. Bush. "Many were made white."]
