

## #820 The Black Horse Rider – The Black Horse as the Red Horse, part 2, Why Black Horse was Red

It would seem as though General George Armstrong Custer should have been named Black Horse, and the Indians fully representing the *reds*, since Custer was representing the Black Horse Rider United States.

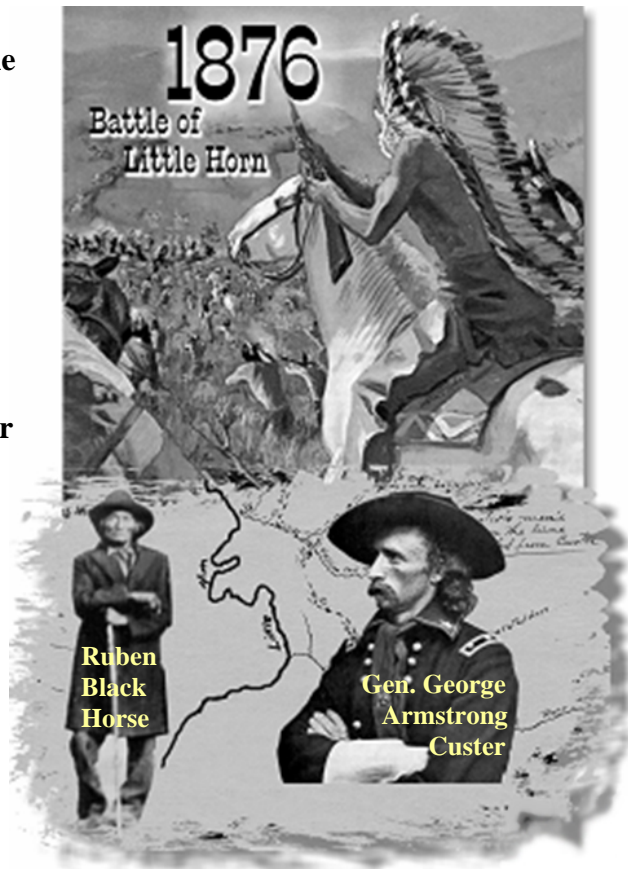

However, for the same reasons as were given in the previous Unsealing for Smarty Jones being a chestnut instead of a black horse, the man named Black Horse who victoriously fought at the Battle of Little Bighorn was an Indian, a *red man*.

**Key Understanding: *Black Horse was red.*** The man named (Ruben) Black Horse (the picture of Ruben Black Horse is when he was older) who victoriously fought at the Battle of Little Bighorn was a *red man* because the Revelation 6:5 Black Horse Rider is the same as the Revelation 17 Scarlet Beast. Just as Black Horse was a *red man*, the December 8-10, 1991, victorious Black Horse Rider U.S. was really *red* – because it was/is the *Scarlet Beast*. What the 7<sup>th</sup> Head *Red Horse Rider* Soviet Union was to the Black Horse Rider/*Scarlet Beast* United States, the Black Horse Rider/*Scarlet Beast* United States is to God.

The Lord tied together the *red man* (referring to American Indians) with the *Red Communist Soviet Union* through Black Horse and the renaming of Custer Battlefield National Monument to Little Bighorn Battlefield National Monument on December 10, 1991, the same day as the December 8-10, 1991, defeat of the Revelation 6:3-4 *Red Horse Rider* by the Revelation 6:5-6 Black Horse Rider.

[Note: The story of Ruben Black Horse is recounted in the book *Ben Nighthorse Campbell: An American Warrior*, by Herman J. Viola, p. 114-116, © 1993, published by Orion Books, N.Y.]

**Revelation 6:5 (KJV)** And when he had opened THE THIRD SEAL, I heard the third beast say, Come and see. And I beheld, and lo A BLACK HORSE; and he [Ronald Reagan, who died on June 5, 2004, symbolically dismounting for the last time the black horse, Sergeant York] that sat on him had A PAIR OF BALANCES IN HIS HAND. [December 10, 1991, was Black Horse Day, meaning that the Black Horse Rider U.S. defeated the Red Horse Rider

USSR on that day, during the administration of George H. W. Bush. “Many were made white.”]
