

#836 Church-ill Republicans – Connecting Church-ill with the Republican Party: The January 9, 1854, Birth of Churchill’s Mother and the March 20, 1854, Birth of the Republican Party

We are now transitioning from Churchill’s Mother to **Church-ill Republicans**, a short but greatly significant series comprised of just this one Unsealing.

The Republican Party in the United States was born on March 20, 1854, in Ripon, Wisconsin.

Key Understanding: *The January 9, 1854, birth of Churchill’s mother and the March 20, 1854, birth of the Republican Party. The Lord ordained Jennie Jerome, Winston Churchill’s American mother, to be born in Brooklyn, New York, on January 9, 1854, exactly 2 months + 11 days before the March 20, 1854, birth of the Republican Party in Ripon, Wisconsin, for the purpose of foretelling the marriage between the Church-ill and the Republican Party. The Republican Party would have a dominant and supreme role in the manifestation of the Church-ill, particularly at the “time of the end.”*

Here is **#836–Doc 1**, an excellent source about the background, the story, the time, and **the birthplace of the Republican Party** in Ripon, Wisconsin. It is probably worthwhile to read through it all.

Daniel 7:21 (KJV) I beheld, and THE SAME HORN [the Daniel 7:8 Little Horn Nation of America and Winston Churchill] MADE WAR WITH THE [Church-ill] SAINTS, and prevailed against them;

The *above* depiction of the verse is oriented toward a World War II fulfillment of the passage, but we can now begin thinking about looking at the verse as including a Civil War and Cold War fulfillment, with the understanding of the Republican Party supporting Abraham Lincoln in the Civil War against the Confederate South, and the Republican Party supporting Ronald Reagan/George H. W. Bush in the Cold War against the Soviet Union.

Daniel 7:21 (KJV) I beheld, and THE SAME HORN [the Daniel 7:8 Little Horn Nation of America] MADE WAR WITH THE [Church-ill Republican] SAINTS, and prevailed against them;
