

#866 Drunken with the Blood of the Saints – Drinking the Blood of Jesus Christ vs. Drinking the Blood of the Saints

Revelation 17:5-6 (KJV) And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. 6 AND I SAW THE WOMAN DRUNKEN WITH THE BLOOD OF THE SAINTS, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

Question: What does it mean when it says that the Woman, the Great Whore, is *drunken with the blood of the saints*?

We are now ready to answer the above question.

Let's begin by recalling the title of recent Unsealing [#863 Why Abraham Lincoln was named Abraham](#) – Hebrews 11:8-19 and the *Isaac* sacrifice representing the blood shed by *Jesus Christ* dying to *spiritually* set men free vs. the November 19 Gettysburg Address and *Ishmael* sacrifices representing the blood shed by *men* dying to *politically* set men free.

Key Understanding: *Drinking the blood of Jesus Christ vs. drinking the blood of the saints.* The Great Whore *drunken with the blood of the saints* – which means she has been excessively drinking the blood of the saints – should be viewed with “drinking the blood of Jesus Christ” in the background. *Drunken with the blood of the saints* is referring to the Great Whore’s doctrine of men shedding their blood, and dying, to *politically* set men free, as if it was a proper Christian doctrine. The Lord considers that doctrine to be a *counterfeit* of Jesus Christ dying to *spiritually* set men free. Thus, men shedding their blood to *politically* set men free – for example, through “just war” – is not a true sacrifice on behalf of Jesus Christ, but instead actually represents sacrifices to Satan, by those of the spiritual seed of Ishmael.
