

**#869 Drunken with the Blood of the Saints – The Good Friday Sacrifices of Men Dying to Make Men Free: The Good Friday, April 6, 1917, entry of the United States into World War I**

Just as the Civil War had an ending associated with Good Friday, through the assassination of Abraham Lincoln on Good Friday, April 14, 1865, the U.S. entry into World War I occurred exactly on Good Friday, April 6, 1917.

At the end of the Civil War

At the entry of the U.S. in World War I

Good Friday, April 14, 1865  
let us die to make men free

Good Friday, April 6, 1917  
let us die to make men free

*The assassination of Lincoln*

*Off to war*

**Key Understanding:** *Good Friday deaths to set men free.* Woodrow Wilson gave his war message to Congress on April 2, 1917, asking for a declaration of war on Germany. The Lord ordained the United States to formally declare war and enter into World War I on Good Friday, April 6, 1917, for the purpose of focusing on the theme of the Good Friday blood sacrifices of men dying to make men free, in fulfillment of the Great Whore drinking the blood of the saints, Revelation 17:6.

*Revelation 17:5-6 (KJV) And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. 6 AND I SAW THE WOMAN DRUNKEN WITH THE BLOOD OF THE SAINTS, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.*

Here is #869–Doc 1, several paragraphs taken from a source about **America’s entry into World War I**, which emphasize the Messianic theme of Good Friday in association with America’s entry into the war.
