

## **#902 The Second Babel's One Language and One Speech – These Have One Mind**

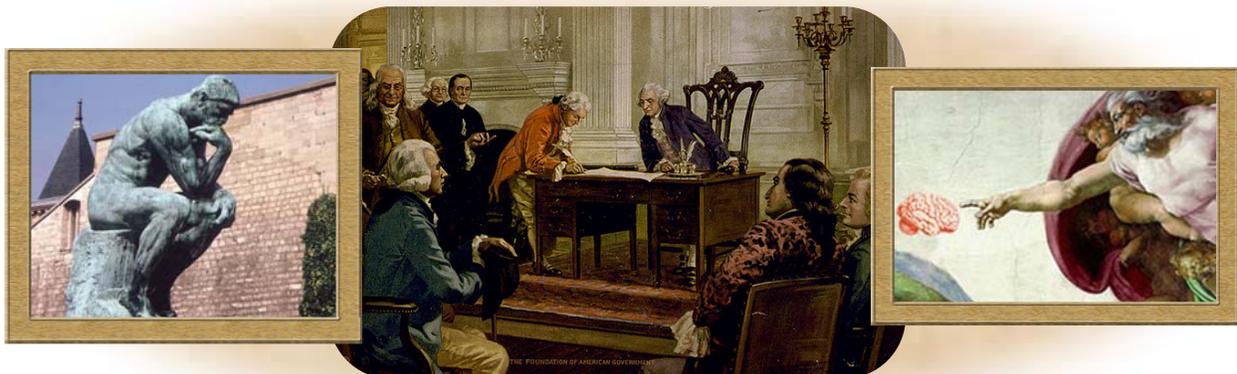

***Genesis 11:1 (KJV) And THE WHOLE EARTH WAS OF ONE LANGUAGE, and ONE SPEECH*** [Woodrow Wilson's April 2, 1917, 'The World Must Be Made Safe for Democracy' Speech].

**The Ten Horns are Ten Kings.** This is a lot to absorb, but let's do it, one sentence at a time. The Beast out of the Pit in Revelation 17 has "ten horns" which are "ten kings" (Revelation 17:12, *below*). These *ten horns* on the Beast out of the Pit are the same as the *ten horns* on the Beast out of the Sea in Revelation 13:1 that are crowned (as *ten kings*). [Reference Unsealings [#217–#237](#), The Ten Horns of Revelation 13:1.] The *ten horns* which are *ten kings* are the U.S. Bill of Rights, the *crowning event* in the establishment of the democratic representative government of the United States of America. The Bill of Rights had no power as kings and no kingdom (Revelation 17:12) until they were crowned on December 15, 1791, becoming a part of the foundation of the U.S. government. The crowning of the Bill of Rights represented the crowning of "the people" as kings.

**These have one mind.** As we have learned, even incorporating Frederick Muhlenberg, the first signer of the Bill of Rights, into the picture, the U.S. Constitution represents the unifying of the colonies/states into the United States, a *national second Babel*. The people of the *national second Babel* have "one language" and "one speech" *politically*, that of creating a *worldwide second Babel* by Making the World Safe for Democracy. They are of "one mind."

*Before we continue on, let's review the question posed in Unsealing [#885](#) in association with 1 Corinthians 1:17 (NIV) For Christ did not send me to baptize, but to preach the gospel—**NOT WITH WORDS OF HUMAN WISDOM**, lest the cross of Christ be emptied of its power.*

Did God touch the minds of the founding fathers at the U.S. Constitutional Convention in 1787, giving them the "mind of Christ", or did Enlightenment Era/Age of Reason thinking encompass the founding fathers?

Did God touch the minds of the founding fathers at the U.S. Constitutional Convention in 1787, giving them the "mind of Christ" (*right*), or did Enlightenment Era/Age of Reason thinking encompass the founding fathers (*left*)? [Reference Unsealing [#449](#).]

**Key Understanding: *These have one mind.*** The words “*these* [the crowned Bill of Rights] *have one mind*” in Revelation 17:13 simply reflect the Genesis 11 *one language, one speech,* and *one purpose* of the people of the *second* Babel, which are to exalt the will of the people, institute government of the people, by the people, for the people, and Make the World Safe for Democracy.

The crowned Bill of Rights fulfilling “*these have one mind*” in Revelation 17:13 reflect the philosophies from the Enlightenment Era/Age of Reason (left), not the “mind of Christ” that is given to cross-carrying men by the Holy Spirit.

**Revelation 17:10-13 (KJV)** *And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.*  
 11 And **THE BEAST** that was, and is not, even he **IS THE EIGHTH**, and is of the seven, and goeth into perdition.  
 12 And the **TEN HORNS** [Bill of Rights] which thou sawest are **TEN KINGS**, which have received no kingdom as yet; but receive power as kings one hour with the beast.  
 13 **THESE** [the crowned Bill of Rights, representing “the people”] **HAVE ONE MIND** [one purpose], and shall give their power and strength unto the beast. [We the People, represented by the Bill of Rights, give their power – “people power” – to the Beast, America. They are of “one language” and “one speech,” to Make the World Safe for Democracy.]
