

#1017 The Whore's Latter Rain – Zechariah Chapter 4 and the Latter Rain of April 9, 1906, and Latter Reign of April 6, 1917, part 18, April 18, 1906: The Two Olive Trees Quake

The Two Olive Trees Quake

The Great San Francisco Earthquake of April 18, 1906, was the most devastating earthquake in America's history.

Prophetically, it is tied to the theme of the Candlestick and the Two Olive Trees of Zechariah 4, the April 9, 1906, birth of the Latter Rain Pentecostal movement, and the April 6 [= 9], 1917, Joel's Latter Rain entry of the U.S. Locust Army into World War I. Specifically, the *timing* of the earthquake's occurrence is tied to the April 9, 1906, birth of the Latter Rain Pentecostal movement, but the *prophetic meaning* of its occurrence is related to both April 9, 1906 (the Holiness City of Los Angeles vs. judgment on the Sin City of San Francisco), and April 6 [= 9], 1917, the entry of the U.S. into World War I to build the *worldwide* Second Babel of a Partnership of Democratic Nations.

The Two Olive Trees Quake: San Francisco, April 18, 1906

Key Understanding: *The Two Olive Trees Quake*. Therefore, for the sake of prophecy, we can call the April 18, 1906, Great San Francisco Earthquake the Two Olive Trees Quake, referring to the Candlestick and the Two Olive Trees of Zechariah 4.

Zechariah 4:1-3 (KJV) And the angel that talked with me came again, and waked me, as a man that is wakened out of his sleep, 2 And said unto me, What seest thou? And I said, I have looked, and behold A CANDLESTICK ALL OF GOLD, with a bowl upon the top of it, and his seven lamps thereon, and seven pipes to the seven lamps, which are upon the top thereof: 3 And TWO OLIVE TREES by it [the April 9, 1906, Latter Rain Pentecostal movement, associated with 'weird babel' in Los Angeles, and the April 6 [= 9], 1917, Joel's Latter Rain U.S. entry into World War I, associated with the birth of the 'Babel' United Nations in San Francisco], one upon the right side of the bowl, and the other upon the left side thereof.

The Candlestick Quake

To prove out what is written *above*, the Lord ordained a second great quake in San Francisco's history, the largest since the April 18, 1906, earthquake. It occurred on October 17, 1989. The Lord made sure that it can easily be referred to as the **Candlestick Quake**.
