

#1031 The Whore's Latter Rain – Zechariah Chapter 4 and the Latter Rain of April 9, 1906, and Latter Reign of April 6, 1917, part 32, The Two Witnesses: The 'Great Earthquake' theme

Review:

Themes seen in both Zechariah 4 and Revelation 11:

- (i) **Two Olive Trees** (seen in both Zechariah 4 and Revelation 11)
- (ii) **Candlestick(s)** (seen in both Zechariah 4 and Revelation 11)
- (iii) **Measuring the Temple** (seen in both Zechariah 3-4 and Revelation 11)
- (iv) **Power** (seen in both Zechariah 4 and Revelation 11)

Themes seen in Zechariah 4 and/or Zechariah 6 that point to relatively *unseen* themes in Revelation 11:

- (v) **Deliverance from Babylon** (seen in Zechariah 4) **and deliverance from Babylon the Great** (relatively unseen in Revelation 11, though patterns of scripture/history point to its presence in the chapter; it can be further deduced from understanding Revelation 11:7-8)
- (vi) **Two into One** (seen in Zechariah 4, via Zechariah 6, but relatively unseen in Revelation 11, though the Two Witnesses are chronologically flanked in history by the 'Two into One' events of (a) Joshua being portrayed as a 'Two into One' priest-king (Zechariah 6:11), pointing to Jesus Christ, the 'Two into One' High Priest-King (Zechariah 6:12), and (b) the return of Jesus Christ and the implementation of the kingship portrayed in Zechariah 6)

New Material:

The Earthquake theme. In Zechariah 4, we do not see the mention of an earthquake associated with the Two Olive Trees/Two Olive Branches. However, the *counterfeit* Two Olive Trees of April 9, 1906, and April 6 [= 9], 1917, are entirely associated with an earthquake – the Great San Francisco 'Two Olive Trees' Earthquake of April 18, 1906, as discussed in Unsealings [#1016](#)–[#1018](#). [Remember too, the Candlestick Quake occurred on October 17, 1989.]

Key Understanding: While an earthquake is not mentioned in Zechariah 4, the Two Olive Trees/Two Olive Branches of Zechariah 4 point to great earthquakes elsewhere:

- (1) **The Great San Francisco ‘Two Olive Trees’ Earthquake of April 18, 1906.** The Two Olive Trees/Two Olive Branches of Zechariah 4 point to the *counterfeit* Two Olive Trees of April 9, 1906, and April 6 [= 9], 1917, which are associated with the Great San Francisco ‘Two Olive Trees’ Earthquake of April 18, 1906, and the Candlestick Quake of October 17, 1989.

- (2) **The “*great earthquake*” of Revelation 11:13.** The Two Olive Trees/Two Olive Branches of Zechariah 4 point to the Two Olive Trees/Two Witnesses of Revelation 11, which are associated with “*a great earthquake,*” Revelation 11:13.

Revelation 11:13 (KJV) *And the same hour was there A GREAT EARTHQUAKE, and the tenth part of the city fell, and in the earthquake were slain of men seven thousand: and the remnant were affrighted, and gave glory to the God of heaven.*

Thus, we can add point (vii) to the list *above*, but under the title of . . .

Themes *unseen* in Zechariah 4, though the chapter points to a *seen* theme in Revelation 11:

- (vii) **A Great Earthquake**
