

#1061 The Revelation 3:21 Grant – “U.S.” Grant of the Civil War = Woodrow Wilson’s “Body of Americans” in World War I

It is time to solidify the significance of the prophetic concept of the “Body of Americans.” We have previously discussed that the entire ‘One Nation Under God’ “Body of Americans” serves as a *counterfeit* of the true Body of Christ.

Key Understanding: *United States Grant.* The Lord designed that Hiram Ulysses Grant would become “U.S.” Grant to represent *in the natural* that the surrender of Robert E. Lee to U.S. Grant on April 9, 1865, symbolized the unification of the divided states into the United States once more, and to represent *in the spiritual* the prophetic concept of the entire “Body of Americans.”

U.S. Grant represents the ‘Body of Americans’ as a whole

Since U.S. Grant is prophetically joined with Woodrow Wilson, it can be seen that U.S. Grant and the U.S. “Body of Americans” on April 9, 1865, point to Woodrow Wilson and the U.S. “Body of Americans” on April 6 [= 9], 1917. The significant point is that the entire ‘One Nation Under God’ “Body of Americans” is represented prophetically as if it was the Body of Christ, and quite rightly so since the Body of Christ joined itself with the U.S. “Body of Americans” in just such a manner.

In conjunction with the point made *above*, it is time to introduce the fact that the population of the Man o’ War United States, the “Body of Americans,” reached 100,000,000 in 1915, during the course of World War I. That fact will become significant when the meaning of the 200,000,000 Men o’ War horses and horsemen of the Man o’ War passage of Revelation 9:16 is unveiled. Revelation 9:13-16 (KJV) And **the sixth angel sounded**, and I heard a voice from the four horns of the golden altar which is before God,

14 Saying to the sixth angel which had the trumpet, Loose **the FOUR angels** which are bound in the great river Euphrates.

15 And **the FOUR angels** were loosed, which were prepared for [i] an **hour**, and [ii] a **day**, and [iii] a **month**, and [iv] a **year**, for to slay the third part of men.

16 And the number of **THE ARMY OF THE HORSEMEN** were two hundred thousand thousand: and I heard the number of them.
