

**#1202 America as Media-Persia – Of the Seven**

We are now making a major, major transition from The American Revolution as the Patmos Revolution to America as Media-Persia.

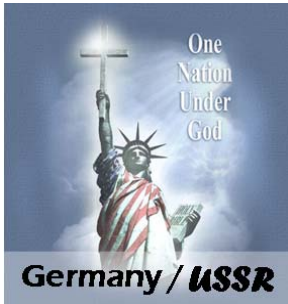

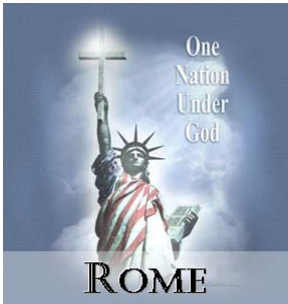

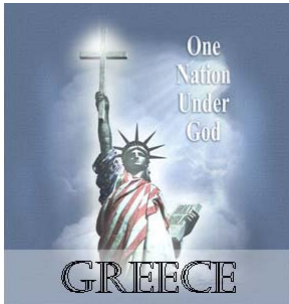

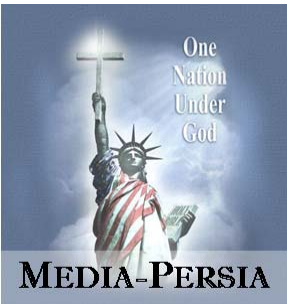

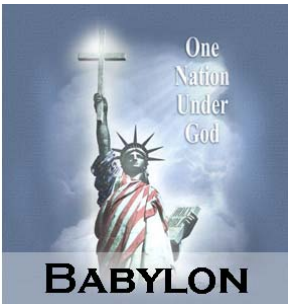

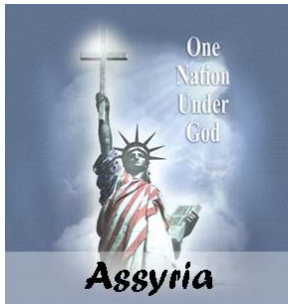

**Media-Persia** is depicted as a ram with two horns in Daniel 8, broken by the he goat, Alexander the Great's Greece

**America as Media-Persia.** Up until now, we have mostly concentrated on America's role as the *second* Babylon, or Babylon the Great, though we have not fully completed the task of carrying it through from World War I to the present day Iraq War, which is taking place in the land of old Babylon. Now is the time, however, to examine America in its twin sister role as the *second* (or last days) Media-Persia. The two roles – America as the *second* Babylon, or Babylon the Great, and America as the *second* Media-Persia – are entirely related.

**Key Understanding: Of the seven.** First, let's remind ourselves that America is seen as a *second* Media-Persia through the prophetic passage that says that the **Beast out of the Pit** – which is America – is "*of the seven [kingdoms]*" before it. [The series Of the Seven was covered in Unsealings [#153](#)–[#155](#)].

*Revelation 17:11 (KJV) And THE BEAST that was, and is not, even HE IS THE EIGHTH, and is OF THE SEVEN, and goeth into perdition.*

The United States, the 8<sup>th</sup>, possesses the characteristics and/or historical-prophetic roles of the Seven Kingdoms that preceded it, meaning Egypt, Assyria, Babylon, Media-Persia, Alexander the Great's Greece, the Roman Empire, and the Double 7's of Hitler's Third Reich Germany and the Soviet Union.

**The meaning of “*of the seven*” is that America prophetically fulfills the roles of a *second* (and last days) Egypt, a *second* (and last days) Assyria, a *second* (and last days) Babylon, a *second* (and last days) Media-Persia, a *second* (and last days) Greece, a *second* (and last days) Rome, and even has the attributes of a *second* (and last days) Germany/Russia. It is a *second* of all of the kingdoms before it that serve as the Seven Heads atop the Beast in Revelation 17.**

**Review** (from Unsealing [#155](#)): *The new world governments vs. the old world governments.* The Monroe Doctrine of December 2, 1823, warned European powers not to interfere in the affairs of countries in the Western Hemisphere. The spirit and language of the Monroe Doctrine were that of separating the New World’s types of government from the Old World’s types of government. It was announcing to the world that American democracy, which was spreading to the South American continent, was not like the tyrannical and colonizing spirit of the Old World. However, in the Lord’s eyes, America, the Beast, and the Eighth, is *not* a “redeemer nation” of mankind, and is *not* different than those of the Old World, because it was birthed fallen, and off the Tree of Knowledge of Good and Evil, like “*the seven*.”
