

#1211 America as Media-Persia – Saddam Hussein as a *Second* Nebuchadnezzar: The role of America as the *Second* Babylon and the role of America as the *Second* Media-Persia are entirely related

Now that we have covered the *first* Media-Persia in more detail, let's return to America as a *second* Media-Persia.

Review: When it is said that the United States is a *second* Babylon and a *second* Media-Persia, what is meant by that is that the United States is a *second* Babylon in relation to Nebuchadnezzar's Babylon (Daniel 2:38) serving as the *first* Babylon, and that the United States is a *second* Media-Persia in relation to Cyrus the Great's Media-Persia (Daniel 2:39) serving as the *first* Media-Persia.

Review: The two roles – America as the *second* Babylon, or Babylon the Great, and America as the *second* Media-Persia – are entirely related. This is because the *first* Babylon and the *first* Media-Persia were closely related historically, and **the role of America as a *second* Media-Persia takes on the pattern of the role of the *first* Media-Persia.** The *first* Media-Persia was the kingdom that the Lord used to judge (defeat) the *first* Babylon. Therefore . . .

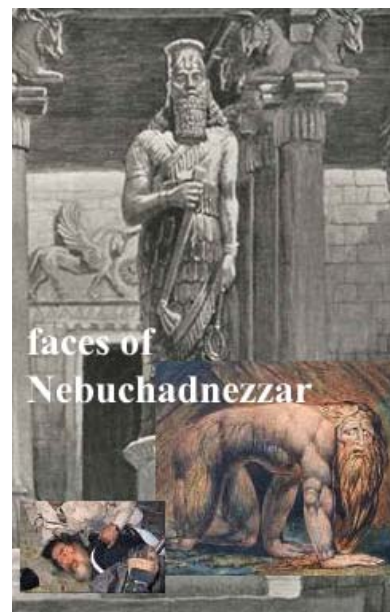

Key Understanding #1: *The role of America as the second Babylon and the role of America as the second Media-Persia are entirely related.* Though America is the real *second* Babylon, or Babylon the Great, the Lord has ordained prophecy/history to unfold in such a way as to cast the Saddam Hussein-led regime of Iraq into the role of the *second* Babylon, as if it had been Babylon the Great, with America thus playing the role of another – a *second* – ‘Cyrus the Great’ Media-Persia judging (defeating) the *second* Babylon.

Key Understanding #2: *Saddam Hussein in the role of the second Nebuchadnezzar.* This is more easily clarified when one sees that Saddam Hussein indeed

liked the idea of being considered a *second* Nebuchadnezzar. That fact will be discussed three (3) Unsealings from now (in Unsealing [#1214](#)).

In the meantime, in the next two Unsealings, let's review the contents of Unsealings [#823](#) and [#824](#), which were about America's “pair of balances” judgments of the *pretender* Scarlet Beast of Revelation 17 and *pretender* Babylon the Great of Revelation 18.
