

#1223 America as Media-Persia – The Civil War: The ‘U.S. Grant/George Meade’ Union Army/Army of the Potomac of the *second* Babylon were the same as the ‘U.S. Grant/George Meade’ Union Army/Army of the Potomac of the *second* Medes

Review: In Unsealings #972–#989, we covered that in 605 B.C. Nebuchadnezzar’s Babylon registered a pair of victories over Egypt at the Battle of Carchemish and over Judah. It was a part of the prophetic/historical understanding of the (Sennacherib) Assyrian and (Nebuchadnezzar) Babylonian “locust armies” in Joel chapters 1-2.

*Joel 2:23-25 (KJV) Be glad then, ye children of Zion, and rejoice in the LORD your God: for he hath given you the **FORMER RAIN** moderately, and he will cause to come down for you the rain, the **FORMER RAIN**, and the **LATTER RAIN** in the first month.
24 And the floors shall be full of wheat, and the vats shall overflow with wine and oil.
25 And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, **MY GREAT ARMY** which I sent among you.*

Review (from Unsealing #971): The army of locusts against Judah – which represents an army of men – is *an army of the Lord*, in that the Lord ordained the army to judge Judah. Therefore, the Lord’s “*great army*” in Joel 2:25 that is composed of the locust, cankerworm, caterpillar, and palmerworm – but is symbolic of an army of men, such as the army of Nebuchadnezzar’s Babylon – is an army that is essentially in opposition to, and certainly not in harmony with, the bringing forth of the *former rain* and the *latter rain* seen in Joel 2:23, for the *former rain* and the *latter rain* are sent by the Lord to restore what the Lord’s “*great army*” has destroyed.

Review: We then came to understand that the U.S. Grant Union Army in the Civil War and the Woodrow Wilson-led U.S. Army in World War I were also “locust armies” of Babylon the Great spiritually devouring the church, but posing as armies bringing forth the Lord’s *former rain*

blessings (in the case of U.S. Grant’s Union Army of the Civil War) and the Lord’s *latter rain* blessings (in the case of Woodrow Wilson’s U.S. Army of World War I). [Reference Unsealing #977.]

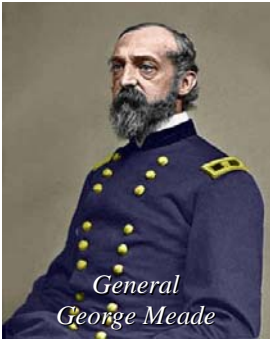

Key Understanding: The ‘U.S. Grant/George Meade’ Locust Union Army/Army of the Potomac of the *second* Babylon were the same as the ‘U.S. Grant/George Meade’ Army of the *second* Medes.

This means that the Union Army/Army of the Potomac were in the dual role as the Army of Babylon and the Army of the Medes (essentially representing Media-Persia) simultaneously. Why? The answer is that while the Union Army/Army of the Potomac of U.S. Grant/George Meade were in truth representing the Locust Army of the *second* Babylon, or Babylon the Great, the Union Army/Army of the Potomac were playing the role of a *second* Media-Persia defeating Babylon, on behalf of God – as part of the lie of the prophetic story of the building of the United States towards its destiny. The role of “Babylon” in the Civil War was a hidden role inherited by the South.

The Union Army/Army of the Potomac of U.S. Grant/George Meade were an army of the second *Babylon*, but also the second *Media-Persia*

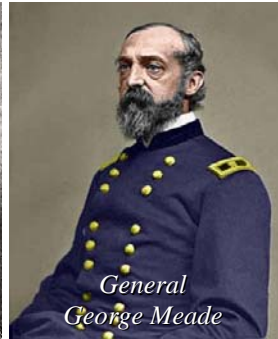

Nebuchadnezzar

General George Meade

Cyrus the Great

General George Meade

MEADE'S ARMY OF *BABYLON*

MEADE'S ARMY OF *MEDIA-PERSIA*
