

#1231 America as Media-Persia – The Civil War: U.S. Grant as a *Moses*-type Deliverer of the Slaves and George Meade as a *Cyrus the Great*-type Deliverer of the Slaves

Key Understanding #1: *The Civil War and America as Media-Persia.* The Civil War was a major part of the process of America growing into its Media-Persia role by defeating the slavery of the South and establishing itself as the Redeemer Nation of the world.

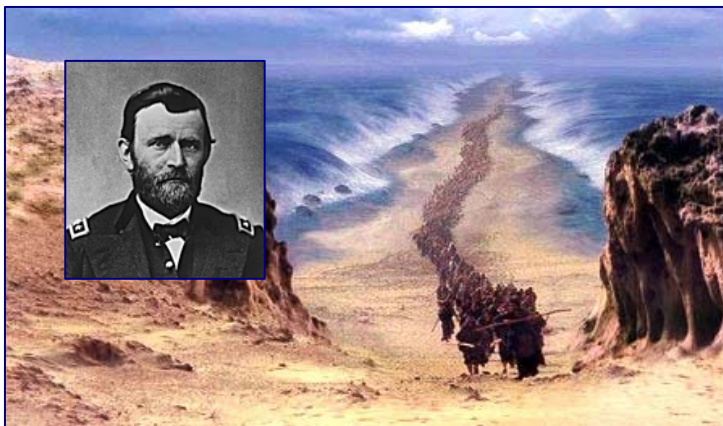

In order to properly set up the understanding of the process of America growing into its Media-Persia role through the Civil War, which established America as the Redeemer Nation of the world going into World War I, we need to remind ourselves that . . .

Key Understanding #2: *The relationship between Moses and Cyrus the Great.* Just as *Moses* played the role of the deliverer of the Israelites into the Promised Land after their bondage in *Egypt*, *Cyrus the Great* and *Media-Persia* (with Zerubbabel and Joshua leading them back) played the role of the deliverer(s) of the Israelites into the Promised Land after their bondage in *Babylon*. The Lord's point is that Moses = Cyrus the Great.

How did this apply to U.S. Grant and George Meade? As discussed in Unsealing [#1096](#) . . .

Key Understanding #3: *U.S. Grant as Moses.* U.S. Grant had his headquarters at Cairo, Illinois, in the Little Egypt part of Illinois, because of his role as a *Moses*-type deliverer, which became fully historically/prophetically tied to Woodrow Wilson's similar role as a *Moses*-type deliverer in World War I, Making the World Safe for Democracy (and defeating the Ottoman Turks to gain back the Promised Land for the Jews).

U.S. Grant as a Moses-type deliverer

Revelation 3:21 (KJV) *TO HIM THAT OVERCOMETH* [the U.S. Grant-led *Joel's* former rain-reign Union Army/George Meade and the Army of the Potomac and the United States on April 9, 1865] ***WILL I GRANT TO SIT WITH ME IN MY THRONE, EVEN AS I ALSO OVERCAME, AND AM SET DOWN WITH MY FATHER IN HIS THRONE.***

Key Understanding #4: U.S. Grant as Moses and George Meade as Cyrus. U.S. Grant, with his headquarters at Cairo, Illinois, in Little Egypt, played the role of a Moses-type deliverer in the freeing of the American slaves, while George Meade, because of his name, and as head of the Army of the Potomac, played the role of a Media-Persian Cyrus the Great-type of deliverer. Again, U.S. Grant is easily seen as representing the role of Moses (who delivered the Jews from Egyptian bondage), and George Meade is seen as a type of Cyrus the Great of Media-Persia (who delivered the Jews from Babylonian bondage), but each was performing the same task of freeing the slaves from the South.

MEADE'S ARMY OF MEDIA-PERSIA

Daniel 5:25-28 (KJV) And this is the writing that was written, MENE, MENE, TEKEL, UPHARSIN.

26 This is the interpretation of the thing: MENE; God hath numbered thy kingdom, and finished it.

27 TEKEL; Thou art weighed in the balances, and art found wanting.

28 PERES; Thy kingdom is divided, and given to the Medes and Persians.
