

## **#1236 America as Media-Persia – World War I: General Pershing, part 3, Grant’s funeral train and Pershing is there**

Below is #1236–Doc 1, a good biography on the life of General John Pershing. The main purpose of this Unsealing is to go through the biography.

At the beginning of the biography, it says that Pershing was elected president of his West Point class of 1886, and that he commanded the Corps of Cadets in 1885 when it presented arms as the funeral train of Ulysses S. Grant passed (after Grant’s death on July 23, 1885).

**Key Understanding: Another Civil War to World War I connection is seen at the time when the future commander of the American troops in Europe in World War I, John Pershing, commanded the West Point Corps of Cadets in 1885 when it presented arms as the funeral train of Civil War general and President of the United States U.S. Grant passed. The Civil War’s U.S. Grant was linked with Media-Persia through George Meade, and World War I’s General John Pershing was linked with Media-Persia through his name meaning *Persian*.**

Here is #1236–Doc 1, a longer biography of **General John Pershing** which contains the above reference to John Pershing commanding the West Point Corps of Cadets in 1885 at the passing of the funeral train of U.S. Grant.
