

#1265 Israel as the Fig Tree – If Nebuchadnezzar’s Babylonians and their captivity of the Jews caused the fig tree to not blossom (literally and figuratively), and the Media-Persians and their allowing the Jews to return to Judah were cause for the fig tree to blossom (literally and figuratively), how does that apply to the rebirth of Israel through the events of World War I and World War II?, part 1

*Matthew 24:32-33 (KJV) Now learn **A PARABLE OF THE FIG TREE**; When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh:
33 So likewise ye, when ye shall see all these things, know that it is near, even at the doors. {it: or, he}*

Key Understanding (of this Unsealing #1265): It can be expected that the rebirth of Israel on May 14-15, 1948 – through the events of World War I and World War II – could indeed be associated scripturally/prophetically with a fig tree, for (i) Nebuchadnezzar’s Babylonians and their captivity of the Jews caused the *fig tree to not blossom* (literally and figuratively), while the Media-Persians and their allowing of the Jews to return to Judah were cause for the *fig tree to blossom* (literally and figuratively), and (ii) in World War I, Great Britain and the United States were playing the role (seen through Pershing and Sousa) of a *second* Media-Persia.

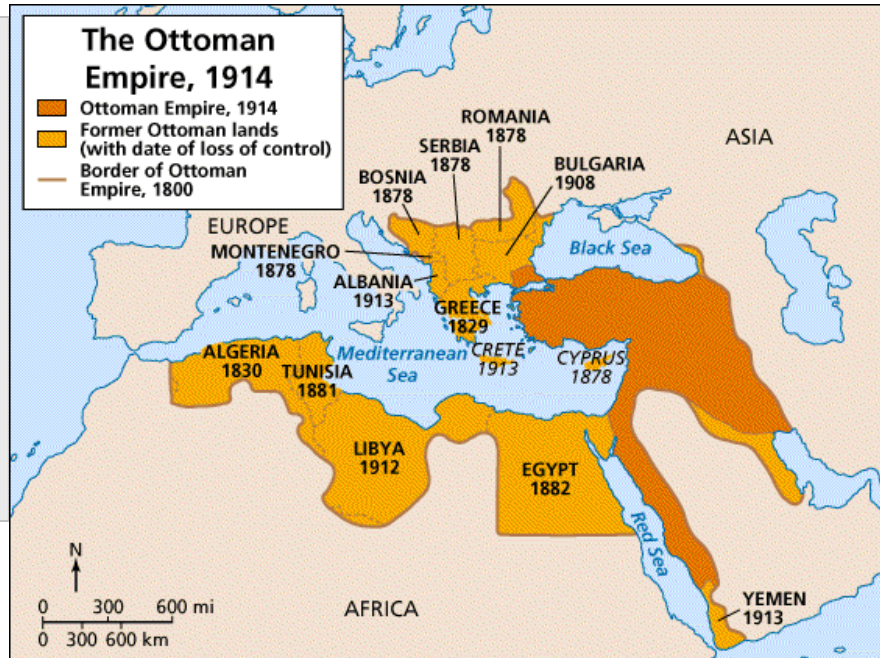

Let’s review Unsealing [#1233](#) for the purpose of seeing Great Britain and the United States in the role as a *second* Media-Persia through the events of World War I.

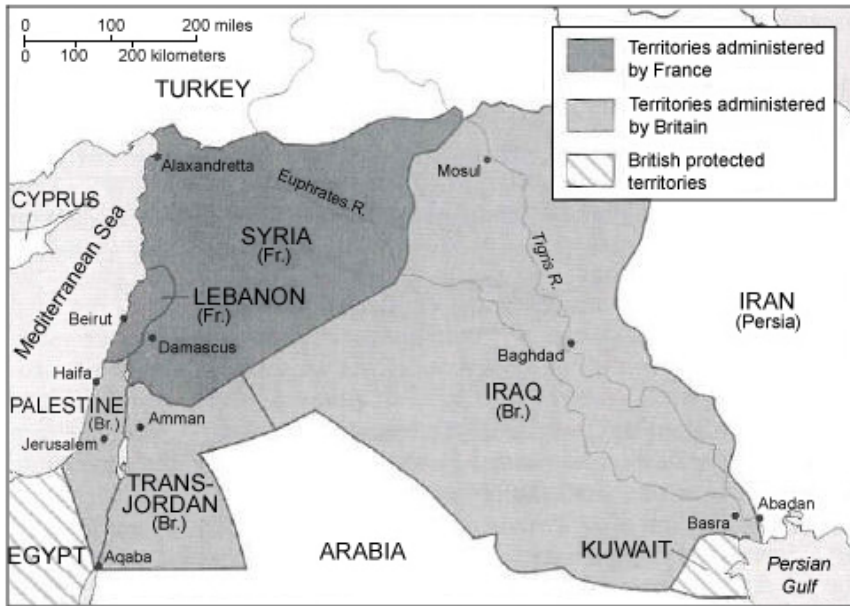

#1233 America as Media-Persia – World War I: In World War I, America/Britain were in the prophetic role of Daniel 2:39 Media-Persia and the Ottoman Turkish Empire was in the prophetic role of Daniel 2:38 Babylon

We are now shifting our focus in the subject matter of America as Media-Persia from the Civil War to World War I.

This map shows the territory that the Turkish Ottoman Empire ruled in 1914 going into World War I. It included the Middle Eastern region of what comprised the heart of Old Babylon (and present day Iraq), as well as the areas of present day Turkey, Syria, Jordan, Israel, and parts of Saudi Arabia.

During World War I, the British defeated the Ottoman Turks in the Middle East, and what was formerly under the control of the Ottoman Turks before World War I came under the control of the British and French after the war. The agenda gave self-rule to the Syrians, Lebanese, and Iraqis, and a portion of the land of Palestine back to the Jews.

Key Understanding (of Unsealing #1233): *America/Britain as Daniel 2:39 Media-Persia and the Ottoman Turks as Daniel 2:38 Babylon. Just as Babylon of Daniel 2:38 controlled the region of Babylon and the land of Palestine and was defeated by the Daniel 2:39 Media-Persians so that the Jews could return to their homeland, the Turkish Ottoman Empire controlled the region of Old Babylon and the land of Palestine and was defeated by the*

United States and Great Britain (and France) in World War I. Thus, the Ottoman Turks were playing the role of Daniel 2:38 Babylon while the Allies were playing the role of Daniel 2:39 Media-Persia. The land of Palestine became a part of the so-called British Mandate after World War I, and the nation of Israel was established after World War II.

Daniel 2:38 (KJV) And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all.

THOU [Babylon] **ART THIS HEAD OF GOLD.** [The Turkish Ottoman Empire played the role of Daniel 2:38 Babylon in World War I.]

*Daniel 2:39 (KJV) And after thee shall arise **ANOTHER KINGDOM INFERIOR TO THEE** [Media-Persia], and another **THIRD KINGDOM OF BRASS** [Alexander the Great's Greece], which shall bear rule over all the earth. [The Allies of Britain, France, and the United States played the role of Daniel 2:39 Media-Persia in World War I, freeing the Promised Land from Ottoman control.]*
