

#1335 America as Media-Persia, II – America replacing the Shah-led regime of Iran as the second Media-Persia: The January 16, 1979, Fall of the Shah of Iran in a role of ruling a second ‘Cyrus the Great’ Media-Persia, and the November 4, 1979, Rise of America to mature in its role as the second ‘Cyrus the Great’ Media-Persia

During the time that Iran was under the rule of the Pahlavis as the Shahs, Iran and the United States were prophetically serving as twin *second* ‘Cyrus the Great’ Media-Persias.

In Unsealing [#1320](#) was seen the following chronology of the events leading up to and including the November 4, 1979, start of the Iran Hostage Crisis:

1979 January 16 Shah Mohammed Riza Pahlavi (also spelled Reza Pahlevi) fled Iran for Egypt as millions united with Ayatollah Khomeini in calling for his death.

1979 February 1 Ayatollah Khomeini received a tumultuous welcome in Tehran as he ended nearly 15 years of exile.

1979 October 22 The U.S. government allowed the deposed Shah of Iran to travel to New York for medical treatment. This was a decision that precipitated the hostage crisis.

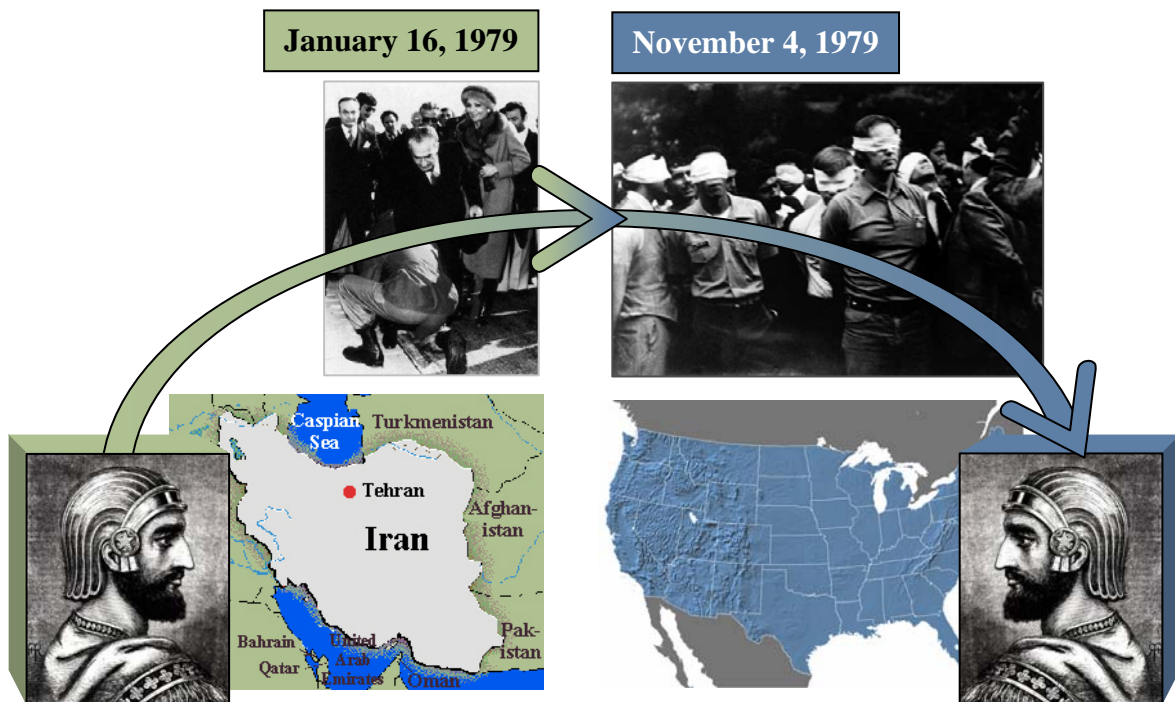

1979 November 4 The Iran hostage crisis began as 63 American diplomats were taken hostage at the American embassy in Tehran, Iran, by militant student followers of Ayatollah Khomeini who demanded the return of Shah Mohammed Reza Pahlavi for trial. He was undergoing medical treatment in New York City. The students held 52 American hostages for 444 days. The hostages were released on January 20, 1981, the day of the inauguration of President Ronald Reagan.

January 16, 1979, Tehran, Iran.
An Iranian soldier kisses the feet of Shah Mohammed Reza Pahlavi as aides of the Monarch look on grimly and Empress Farah looks away with a big smile.

Key Understanding: *The prophetic transition of a second Media-Persia from the Shah’s Iran to the United States. The Lord ordained (i) the January 16, 1979, fall of the Shah of Iran in a role of ruling a second ‘Cyrus the Great’ Media-Persia, and (ii) the November 4, 1979, “rise” of America through the Iran Hostage Crisis to mature in its role as the second ‘Cyrus the Great’ Media-Persia. In essence, the January 16, 1979, demise of the Shah of Iran and the subsequent November 4, 1979, start of the Iran Hostage Crisis were the manifestation of America’s replacement of Iran as the second ‘Cyrus the Great’ Media-Persia of the last days.*

The January 16, 1979, demise of the Shah of Iran and the subsequent November 4, 1979, start of the Iran Hostage Crisis were the manifestation of America's replacement of Iran as the *second* 'Cyrus the Great' Media-Persia of the last days.

Isaiah 44:28 (KJV) [Thus saith the Lord] **THAT SAITH OF CYRUS, HE IS MY SHEPHERD, and shall perform all my pleasure: even saying to Jerusalem, Thou shalt be built; and to the temple, Thy foundation shall be laid.**
