

**#1343 America as Media-Persia, II – January 20, 1981: The End of the 444-day Iran Hostage Crisis and the simultaneous Inauguration of Ronald Reagan prophetically represented America arising to mature in its role as the *second* (but *counterfeit*) ‘Cyrus the Great’ Media-Persia**

In Unsealing #1335 the subject matters were discussed of the January 16, 1979, fall of the Shah of Iran in a role of ruling a *second* ‘Cyrus the Great’ Media-Persia, and the November 4, 1979, rise of America to mature in its role as the *second* (but *counterfeit*) ‘Cyrus the Great’ Media-Persia.

However, while the November 4, 1979, *beginning* of the Iran Hostage Crisis was the event that *precipitated* the *start* of America’s rise in its role as the *second* (but *counterfeit*) ‘Cyrus the Great’ Media-Persia . . .

**Key Understanding: *The double events of January 20, 1981.* It was (i) the January 20, 1981, *end* of the Iran Hostage Crisis, coupled purposefully both historically and prophetically with (ii) the January 20, 1981, inauguration of Ronald Reagan, that actually *constituted* the *start* of the rise of America to mature in its role as the *second* (but *counterfeit*) ‘Cyrus the Great’ Media-Persia. This is because the Ronald Reagan presidency – with the Iran Hostage Crisis and weak-looking Jimmy Carter-led America as the impetus – started America on a course of becoming not only an even stronger military power, but a course also leading it to become the world’s lone remaining superpower by the end of the 12-year time-period (January 20, 1981 – January 20, 1993) of the Ronald Reagan-George H. W. Bush administrations.**

Ronald Reagan, Inauguration Day, January 20, 1981

***Isaiah 44:28 (KJV) [Thus saith the Lord] THAT SAITH OF CYRUS, HE IS MY SHEPHERD, and shall perform all my pleasure: even saying to Jerusalem, Thou shalt be built; and to the temple, Thy foundation shall be laid.***
