

#1362 America as Media-Persia, II – The Death of NBC’s David Bloom, part 2, Bloom’s death on 4/06 was for the purpose of representing the Lord’s warning from Isaiah 40:6 that the Glory of Man is as the blooming Flowers of the Field, which will fade

Isaiah 40:6-8 (NIV) A voice says, “Cry out.” And I said, “What shall I cry?” “ALL MEN ARE LIKE GRASS, AND ALL THEIR GLORY IS LIKE THE FLOWERS OF THE FIELD.

7 The grass withers and THE FLOWERS FALL [the flowers fade], because the breath of the LORD blows on them. Surely the people are grass.

8 The grass withers and THE FLOWERS FALL [the flowers fade], but the word of our God stands forever.”

In Unsealing #19, it was explained that the Lord ordained French Admiral de Grasse – whose French name means *grass* – to represent the assurance and completion of the American victory at Yorktown for their *Spirit of ‘76* independence, in fulfillment of Isaiah 40:6-8, because the victory represented a pinnacle of the glory of men, who are like *grass* and flowers, which wither and fall.

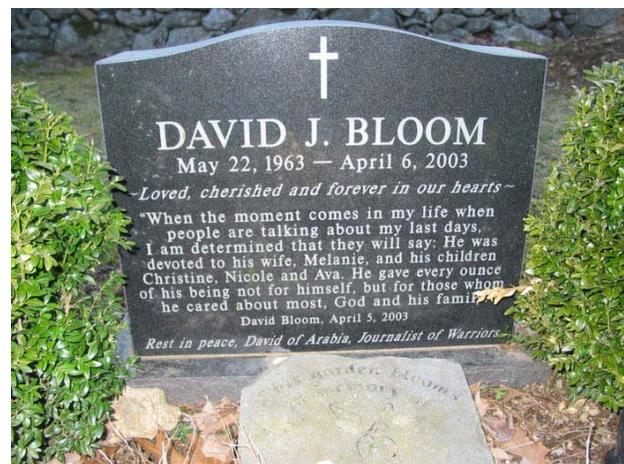

Key Understanding #1: *Grass at the beginning and the death of Bloom at the end.* While Admiral de Grasse was tied to Isaiah 40:6 – through *grass* – at the beginning of the history of the United States (the *real* Babylon the Great), NBC’s David Bloom – through *flowers* – was tied to Isaiah 40:6 at the end of Saddam Hussein’s regime (*pretender* Babylon the Great), when the United States in the role as the *second* (but *counterfeit*) Media-Persia defeated *pretender* Babylon Iraq.

Admiral de Grasse

Key Understanding #2: Bloom’s death on 4/06 was for the purpose of representing the Lord’s warning from Isaiah 40:6 that the glory of man is as the blooming flowers of the field, which will fade. Not only does (i) the defeat of *pretender* Babylon Iraq by the *second* Media-Persia – the United States of America, which in reality is the *real* Babylon the Great – portend *the time of the end* of the United States of America by the hand of God, but (ii) the April 6 (4/06), 2003, death of David Bloom itself represented the Lord’s warning from Isaiah 40:6 (4/06 clearly having a numerical association with Isaiah 40:6) that the glory of men would be as the flowers of the field,

Isaiah 40:6 clearly has a numerical association with 4/06

whose blooming is sure to come to an end. The timing of the warning was in conjunction with the *real* Babylon the Great's attempt to defeat *pretender* Babylon the Great in hopes of bringing democracy to the Middle East (and to the Arabs, the *natural* seed of Ishmael), an objective which particularly rankles God because of Babylon the Great's misconstruing of "*the truth shall make you free*" in John 8:32 to reflect *its* freedom and democracy, when instead those who wonder after its freedom and democracy are the *spiritual* seed of Ishmael of which the passage of John 8 and the verse of John 8:32 are speaking.

[Note: The fact that David Bloom's April 6, 2003, death occurred exactly 86 years after the April 6, 1917, U.S. entry into World War I is also important, and will be discussed later.]
