

**#1365 America as Media-Persia, II – Why the Shah’s exodus from Iran was on January 16 (1979), part 2, The Shah’s departure on January 16 to Egypt was the precipitating event that eventually led to the Exodus 13:16/Revelation 13:16 Mark of the Beast event of U.N. Resolution 666 against Saddam Hussein**

**Review** (from Unsealing #1316): The Iraq-Kuwait crisis in August 1990 generated U.N. Security Council Resolutions that reflected the fulfillment of the Revelation 13:16-18 figurative and unseen Mark of the Beast. This is because the world was in the process of being “freed” from Marx’s Soviet Communism, thereby receiving the Beast’s version of the Mark of the Lord seen in Exodus 13:16 that was attached to the Jews being freed from their bondage to the Egyptians. Due to the weakening of the Marxist Soviet Union, the world was no longer divided, and, through the United Nations, came together against the Saddam Hussein-led regime of Iraq, agreeing that none would buy from (import) or sell to (export) Iraq, imposing U.N. Resolution 661 on August 6, 1990, with exceptions being clarified in U.N. Resolution 666 on September 13, 1990. In essence, this meant that Iraq could not buy from or sell to (trade with) any other nation, having failed to be in agreement with the America-led world towards Democracy and Capitalism.

is connected to America’s judgment of Saddam Hussein’s Iraq

- Resolution 661 of August 6, 1990      Imposed economic (import and export) sanctions on Iraq and Kuwait
- Resolution 666 of Sept. 13, 1990      Defined humanitarian aid that could be exempted from import (buying) and export (selling) sanctions

**Key Understanding #1: Why the Shah departed from Iran on January 16, 1979. The Shah of Iran’s exodus from Iran to Egypt occurred on January 16, 1979 – which = 13:16 military time – because it was the precipitating event that eventually led to the Exodus 13:16/Revelation 13:16 Mark of the Beast events of U.N. Resolutions 661/666 against Saddam Hussein, who rose to full power in Iraq on July 16, 1979, exactly six months after the Shah’s exodus.**

**January 16, 1979, Tehran, Iran.**  
An Iranian soldier kisses the feet of Shah Mohammed Reza Pahlavi as aides of the Monarch look on grimly and Empress Farah looks away with a big smile.

*Exodus 13:16 (NIV) And it will be like a SIGN on your HAND and a symbol on your FOREHEAD that the LORD brought us OUT OF EGYPT with his mighty hand."*

*Revelation 13:16-17 (KJV) And he causeth all, both small and great, rich and poor, free and bond, to receive a MARK [of the Beast] in their RIGHT HAND, or in their FOREHEADS:*

*17 And that NO MAN MIGHT BUY OR SELL, save he that had the mark, or the name of the beast, or the number of his name.*

**Key Understanding #2: *The Shah's exodus.*** We are describing the Shah's departure from Iran as an *exodus* because its prophetic purpose was to connect to the *exodus* of Israel from the bondage of the Egyptians [see Key Understanding #1 *above*]. Moreover – for the same prophetic reason – the country that the Shah departed to from Iran on January 16, 1979, was *Egypt*.
