

**#1367 America as Media-Persia, II – The prophetic relationships between World War I and the 1991 Gulf War, part 1, Woodrow Wilson and Ronald Wilson Reagan**

**It is now time to see the prophetic relationships between World War I and the 1991 Gulf War. We will start by reminding ourselves of prophetic relationships between Woodrow Wilson and Ronald Wilson Reagan.**

**Wilson and Reagan**

- **Birth of Reagan.** Reagan was born on February 6, 1911, 6 years + 2 months before the Wilson-led April 6, 1917, U.S. entry into World War I. [Reference Unsealings [#660](#), [#812](#).]
- **Black Horse Riders.** Wilson was a Revelation 6:5 Black Horse Rider in World War I, while Reagan was a Revelation 6:5 Black Horse Rider in the U.S. defeats of the Soviet Union and Iraq. [Reference Unsealings [#801](#), [#806](#).]
- **Sergeants York.** Wilson was connected with Sergeant York, the man, while Reagan was connected with Sergeant York, the horse. [Reference Unsealing [#807](#).]
- **Riderless Horses.** Wilson was connected with Black Jack, the riderless horse, while Reagan was connected to Sergeant York, the riderless horse. [Reference Unsealing [#813](#).]
- **Birth, Death of the USSR.** Wilson was connected with the World War I birth of the Soviet Union, while Reagan was connected with the Cold War death of the Soviet Union. [Reference Unsealing [#421](#).]
- **1914 Linen-Cotton Saints.** Wilson judged and made war in World War I, leading the counterfeit 1914 White Linen-Cotton Saints. Later, Ronald Reagan led the same counterfeit White Linen-Cotton Saints of the United States to victory over the Red Lenin Soviet Union in the Cold War. [Reference Unsealing [#659](#).]

**Review:** Though the Soviet Union fell in 1991, during the 4-year January 20, 1989 – January 20, 1993, administration of George H. W. Bush, it is the 12-year Reagan-Bush administrations of January 20, 1981 – January 20, 1993, that are given credit historically and prophetically for its defeat. Likewise . . .

**Key Understanding #1: *The presidency of Ronald Reagan represented the strengthening and maturing of the United States as the second (but counterfeit) Media-Persia. Though Saddam***

Hussein-led Iraq was defeated in 1991, during the 4-year January 20, 1989 – January 20, 1993, administration of George H. W. Bush, because of the military strengthening of the U.S. during Ronald Reagan’s 8-year January 20, 1981 – January 20, 1989, term in office, Reagan is given significant credit *prophetically* by the *Lord* and *historically* by *man* for Iraq’s defeat. The presidency of Ronald Reagan represented the strengthening and maturing of the United States in its role as the *second* (but *counterfeit*) ‘Cyrus the Great’ Media-Persia.

*Daniel 5:25-28 (KJV) And this is the writing that was written, MENE, MENE, TEKEL, UPHARSIN.*

*26 This is the interpretation of the thing: MENE; God hath numbered thy kingdom, and finished it.*

*27 TEKEL; Thou art weighed in the balances, and art found wanting.*

*28 PERES; Thy kingdom is divided, and given to the Medes and Persians.*

**Key Understanding #2:** Thus, we see Woodrow Wilson associated with World War I, and Ronald Wilson Reagan – though he was not the President of the United States at that actual time – associated with the 1991 Gulf War (and the 1991 fall of the Soviet Union to end the Cold War).

**Wilson and Reagan**
