

**#1372 America as Media-Persia, II – The prophetic relationships between World War I and the 1991 Gulf War, part 6, *Man o’ War*: Woodrow Wilson as an April 6, 1917, ‘Cyrus the Great’ Man o’ War and Ronald Wilson Reagan as a November 4, 1979, ‘Cyrus the Great’ Man o’ War**

*1 Chronicles 28:3 (KJV) But God said unto me [King David], **THOU SHALT NOT BUILD AN HOUSE FOR MY NAME, BECAUSE THOU HAST BEEN A MAN OF WAR, AND HAST SHED BLOOD.***

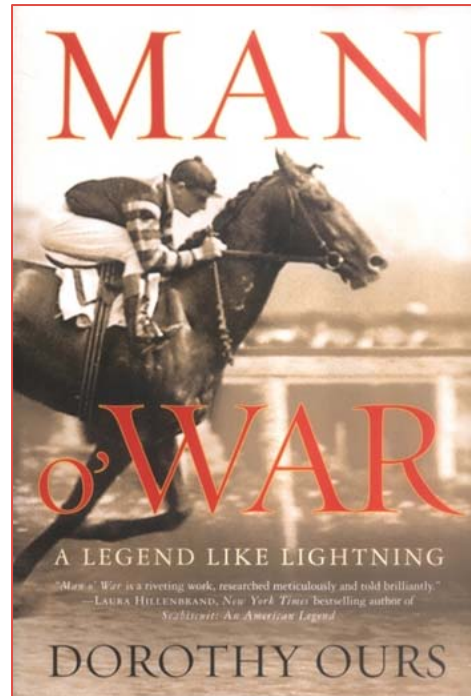

**Woodrow Wilson and Man o’ War**

The race horse Man o’ War was named by Mrs. August Belmont, Jr., in honor of his owner/breeder August Belmont, Jr., who served the U.S. in World War I by securing and training horses for service in the military overseas. Man o’ War was covered in Unsealings #825–#832. The March 29, 1917, birth of the horse Man o’ War, which occurred four (4) days before Woodrow Wilson’s April 2, 1917, War Message to the 65<sup>th</sup> Congress, and eleven (11) days before April 9 [= April 6], 1917, was prophetically representing the April 6, 1917, U.S. entry into World War I, and representing the U.S. in prophecy as the Revelation 6:5 Black Horse Rider. [Note: Man o’ War was at first simply called “Mahubah’s colt” until Mrs. Belmont gave the horse the permanent name of Man o’ War.]

**Key Understanding #1: Woodrow Wilson and Man o’ War. Man o’ War, and his owner/breeder August Belmont, Jr., were ordained by the Lord to prophetically represent Woodrow Wilson and the Woodrow Wilson-led ‘Men of War’ Body of Americans in World War I, whose purpose it was to Make the World Safe for Democracy.**

**Ronald Reagan and Man o’ War**

Mrs. August Belmont, Jr., (Eleanor Robson Belmont) who named Man o’ War after her husband, August Belmont, Jr., who served in the U.S. military in World War I, was born on December 13, 1879, in Wigan, England, and died on October 24, 1979, in New York, New York, exactly 11 days before the November 4, 1979, start of the Iran Hostage Crisis. [Note: The gravestone gives the year of birth as 1878, but most sources give the year of birth as 1879.]

**Key Understanding #2: Ronald Wilson Reagan and Man o' War. In Unsealing #1218, it was discussed that the Revelation 6:5 Black Horse Rider represents the role of Media-Persia because of its Pair of Balances defeat of *pretender* Babylon. Since the Revelation 6:5 Black Horse Rider is also ably represented by the horse Man o' War, it can be expected that Man o' War, the horse, and America's maturing into its role as the *second* (but *counterfeit*) 'Cyrus the Great' Media-Persia through the November 4, 1979, Iran Hostage Crisis might be closely connected prophetically. Indeed that is the case, which is why Mrs. August Belmont, Jr., who gave Man o' War his name, died on October 24, 1979, exactly 11 days before the November 4, 1979, start of the Iran Hostage Crisis. Her October 24, 1979, 'Man o' War' death points to Ronald Reagan as the November 4, 1979, 'Cyrus the Great' Media-Persian Man o' War.**

*Revelation 6:5 (KJV) And when he had opened THE THIRD SEAL, I heard the third beast say, Come and see. And I beheld, and lo A BLACK HORSE; and he that sat on him had A PAIR OF BALANCES IN HIS HAND [representing the judgment by the *second* Media-Persia – the United States – upon the *pretender* Revelation 17 Scarlet Beast Soviet Union and the *pretender second* Nebuchadnezzar and the *pretender* Revelation 18 Babylon the Great, Saddam Hussein and his regime in Iraq].*

Eleanor Robson Belmont	
	
<b>Born</b>	December 13, 1879 Wigan, England
<b>Died</b>	October 24, 1979 (aged 99) Manhattan, New York, USA
<b>Occupation</b>	Stage, film actress
<b>Spouse(s)</b>	August Belmont Jr.
