

**#1378 America as Media-Persia and the Building of Israel – The Presidents of the United States – Woodrow Wilson in World War I and Harry Truman in World War II – played the prophetic role as *second* Cyruses the Great leading America in war as a *second* Media-Persia, and (re)building Jerusalem and Israel as a result**

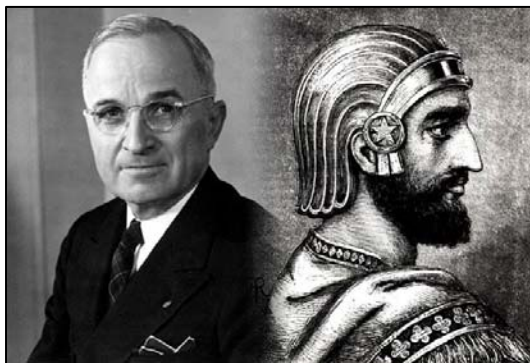

The subject matter of this Unsealing was reintroduced in Unsealing #1373, which was followed by the previous four (4) Unsealings that serve as a review. Now we are simply outlining the particulars as to *specific Presidents of the United States* (tied to *specific wars*) playing the role as *second* Cyruses the Great leading America in war as a *second* (but *counterfeit*) Media-Persia, and (re)building Jerusalem and Israel as a result.

**Key Understanding #1: In the establishment of modern-day Israel as a nation, we see:**

- (i) **the (President Woodrow Wilson and General John Pershing) World War I stage of the “Media-Persian” deliverance of the Jews to the Promised Land (through the defeat of the Ottoman Turks and the November 2, 1917, Balfour Declaration), and**

- (ii) **the (President Harry Truman and Pu-239 August 9, 1945, atomic bomb) World War II stage of the “Media-Persian” deliverance of the Jews to the Promised Land (through the defeat of Nazi Germany/Japan and the May 14-15, 1948, establishment of the nation of Israel).**

***Isaiah 44:28 (KJV) [Thus saith the Lord] THAT SAITH OF CYRUS, HE IS MY SHEPHERD, and shall perform all my pleasure: EVEN SAYING TO JERUSALEM, THOU SHALT BE BUILT; AND TO THE TEMPLE, THY FOUNDATION SHALL BE LAID.***

**President Ronald Reagan.** In recent Unsealings, we thoroughly discussed that **President Ronald Reagan** and the United States also played the role as a *second* ‘Cyrus the Great’ and Media-Persia during his 8 years in office. Reagan’s election and inauguration were entirely connected to the Iran Hostage Crisis, an event which convinced Reagan and Americans to strengthen the United States militarily, enabling it to perform its role as a *second* Media-Persia in its defeat of Saddam Hussein’s Iraq

in the 1991 Gulf War during the administration of George H. W. Bush.

**Question:** Because the 12-year Reagan-Bush administrations of January 20, 1981 – January 20, 1993, were involved with the prophetic and historical event of America as the *second* Media-Persia defeating Saddam Hussein-led Iraq in the role of *pretender* Babylon in the 1991 Gulf War, and because that event was prophetically and historically patterned after Cyrus the Great’s defeat of Nebuchadnezzar’s/Belshazzar’s Babylon, which led to the return to and reestablishment in Jerusalem of the Jews and the building of the Second Temple, **was there an event having to do with the return to and establishment of the Jews in the land of Israel** that was linked with the 1991 Reagan-Bush defeat of Saddam Hussein’s *pretender* Babylon, just as there was with Woodrow Wilson and Harry Truman?

**Key Understanding and Answer:** The answer is “yes”, and the event was the **September 13, 1993, agreement between Yitzhak Rabin’s Israel and Yasser Arafat’s Palestine Liberation Organization**, which was attempting to end decades of confrontation and conflict that occurred after the establishment of the Jewish state on May 14-15, 1948. The peace accord represented another initial attempt toward establishing a “two-state” solution – an Israeli and a Palestinian

state – so that Jews and Arabs could live together in peaceful coexistence in the Promised Land.
