

**#1390 America as Media-Persia and the Building of Israel – Defeating Saddam Hussein, who wanted the role of Saladin, part 2, The Eagle of Saladin**

**Key Understanding #1: Saladin, who liberated Jerusalem from Christians in 1187 A.D., is well-known in the Arab world today. The *Eagle of Saladin* is the national symbol of Egypt and is the coat of arms of the Palestine National Authority.**

**The Eagle of Saladin is the national symbol of Egypt.** The flag of Egypt in its current form was adopted on October 4, 1984. It depicts Egypt's national emblem, the Eagle of Saladin (a shield superimposed on a golden eagle above a scroll bearing the name of the country in Arabic), centered in the white band of the three equal horizontal bands of red (top), white, and black.

**The coat of arms of Egypt is the Eagle of Saladin.** The eagle's claws hold a panel (or scroll) bearing the country's name.

**The coat of arms of the Palestine National Authority is also the Eagle of Saladin.**

**Key Understanding #2: Two entities that signed accords with Israel as part of the Middle East peace process – Egypt with Israel in the September 17, 1978, Camp David Accords, and the Palestine Liberation Organization with Israel in the September 13, 1993, Declaration of Principles accord – are closely linked with the Eagle of Saladin. [Both accords were a part of a *counterfeit* fulfillment of *part b* of Isaiah 44:28, as we will be discussing further on.] **The September 13, 1993, accord led to the creation of the Palestine National Authority**, which was an interim organization created to administer a limited form of Palestinian self-governance in the Palestinian territories for a period of five years, during which final-status negotiations were supposed to take place.**

**part (a)**

***Isaiah 44:28 (KJV)* [Thus saith the Lord] THAT SAITH OF CYRUS, HE IS MY SHEPHERD, and shall perform all my pleasure:**

part (b)

**EVEN SAYING TO JERUSALEM, THOU SHALT BE BUILT; AND TO THE TEMPLE, THY FOUNDATION SHALL BE LAID.**

Saladin united the Arabs from Damascus to Cairo. His great victory over the Christian crusaders came in 1187, in the Battle of Hattin, near Tiberias in what is now Israel.
