

#1467 Building the Temples of the *Christian* New Israel and the *Jewish* new Israel – The 186 “double her double” years (+ 11 days) between the formal organization of Wall Street’s New York Stock Exchange on March 8, 1817, and the March 19, 2003, start of the Iraq War, part 5, 1817 was 11 years after 1806

Revelation 18:6 [or 18:06] (KJV) Reward her even as she rewarded you, and DOUBLE UNTO HER DOUBLE according to her works: in the cup which she hath filled fill to HER DOUBLE.

Key Understanding: 1817 and 1806. The Lord designed the organization of Wall Street’s New York Stock Exchange to occur in the year 1817 and to be thoroughly tied to America’s role as the *real* Babylon the Great because 1817 is a year that is 11 years after 1806, which is numerically equivalent to Revelation 18:06.

Remember, the span of 11 years is specifically connected to Babylon the Great because of Genesis 11.

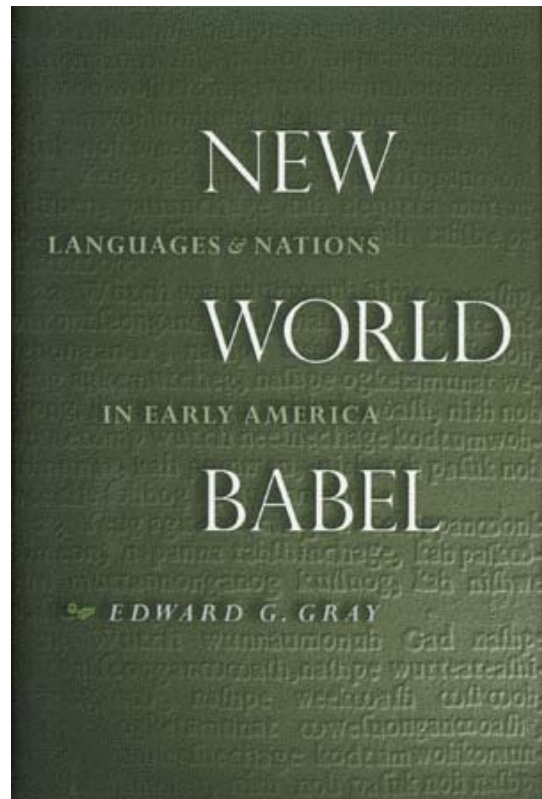

Genesis 11:1 (KJV) And the whole earth was of one language, and of one speech.

Following are reviews from previous Unsealings which were about the theme of 11 years being connected to Babel/Babylon.

Review: 11 years and Babel/Babylon. We covered in Unsealings [#412–#414](#) how 11 years is specifically tied to the building of Babel/Babylon because of Genesis 11, discussing the facts that and explaining why there were 11 years between the births of V. I. Lenin and Alexander Kerensky, and then 11 years between the December 8, 1980, death of John Lennon and the December 8-10, 1991, death of the Marxist-Leninist Soviet Union.

Review: Then, in Unsealing [#949](#), we discussed that the Lord again used 11 years historically/prophetically in connection with the building of a *second* Genesis 11 Babel. There were 11 years between the April 9, 1906, birth of the Latter Rain Pentecostal movement and the April 6 [= 9], 1917, U.S. entry into World War I, representing the U.S. attempting to build a *worldwide* Second Babel through a Partnership of Democratic Nations, to Make the World Safe for Democracy.

Review (from Unsealing [#1207](#)): *The Daniel 5:26-28 handwriting on the wall was fulfilled in 539 B.C.: Media-Persia conquers Babylon.* The “handwriting on the wall” for the *first* Babylon, meaning the conquering of the *first* Babylon by Media-Persia, is seen in scripture in Daniel 5:28,

actually occurring in history in 539 B.C. The point is that $528 + 11 = 539$, or, $539 \text{ B.C.} + 11 \text{ years} = 528 \text{ B.C.}$, which is the number of the verse (Daniel 5:28) about the defeat of the Babylonians by the Medes and the Persians. Thus, the Lord once again tied the number 11 to Babel/Babylon. The *conquering* of the *first* Babylon in 539 B.C. was tied to the theme of 11 years (because 539 B.C. was 11 years before 528 B.C., which is equivalent to the verse number of 5:28), while the *building* of America as a *second* Babylon surrounded 11 years, as is shown in the paragraph *above*.

$528 + 11 = 539$, or, $539 \text{ B.C.} + 11 \text{ years} = 528 \text{ B.C.}$

Daniel 5:28 (KJV) Peres; Thy kingdom is divided, and given to the Medes and Persians.

The Fall of Babylon
The wrath of God over Belshazzar's feast signifies impending doom for Babylon, 539 B.C.
