

**#1508 The role of the A-bomb in the Abomination of Desolation – Harry Truman and the Abomination of Desolation, part 9, Linking Church-ill with the Atomic Bomb: Winston Churchill’s description of the atomic bomb as “the Second Coming in Wrath” at the Potsdam Conference in July of 1945**

**The Potsdam Conference.** The Potsdam Conference was held at Cecilienhof, the home of Crown Prince Wilhelm Hohenzollern, in Potsdam, Germany, outside of Berlin, from July 16-17 to August 2, 1945. The participants were the Soviet Union, the United Kingdom, and the United States. The three nations were represented by Communist Party General Secretary Joseph Stalin, Prime Minister Winston Churchill (and later Clement Attlee), and President Harry S. Truman.

Stalin, Churchill, and Truman – as well as Attlee, who replaced Winston Churchill on July 26, 1945, after the Labour Party’s defeat of the Conservatives in Great Britain’s general election – had gathered to decide how to administer defeated Nazi Germany, which had agreed to an unconditional surrender nine weeks earlier, on May 8 (V-E Day). The goals of the conference also included the establishment of post-war order, issues of peace treaties, and countering the effects of war.

**Churchill’s Second Coming in Wrath.** It was at the Potsdam Conference that President Harry S. Truman received word of the successful testing of the Trinity atomic bomb on July 16, 1945, in New Mexico. At the conference, the words spoken by British Prime Minister Winston Churchill to U.S. Secretary of War Henry Stimson were, “Stimson, what was gunpowder? Trivial. What was electricity? Meaningless. **This atomic bomb is the second coming in wrath!**”

**Key Understanding #1: *The second coming in wrath.*** Harry Truman’s and Winston Churchill’s “second coming in wrath” was dropped upon Japan on August 6, 1945 (the U-238 atomic bomb) and August 9, 1945 (the Pu-239 atomic bomb). [Note: The depiction of the nuclear weapon as the ‘second coming in wrath’ replacement for the Lord’s return is actually that of a hydrogen bomb.]

**Key Understanding #2: *The Church-ill second coming in wrath.*** Prophetically, because the words describing the atomic bomb as the “second coming in wrath” were spoken by Winston Churchill, who represents the Church-ill [reference Unsealings #663–#670 in the series The Churchill Saints of Daniel 7:21], the “second coming in wrath” dropping of the atomic bombs represented a *counterfeit* return of Jesus Christ implementing a *counterfeit* of his rule over the world through the deceived Christian Church-ill. Thus, prophetically, the ‘Church-ill’ atomic bombs were a major *counterfeit* of the Revelation 19:11-15 second coming of Jesus Christ in wrath.

***Revelation 19:11-15 (KJV) And I saw heaven opened, and behold A WHITE HORSE; and HE THAT SAT UPON HIM was called Faithful and True, and IN RIGHTEOUSNESS HE DOTH JUDGE AND MAKE WAR.***

*12 His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.*

*13 And he was clothed with a vesture dipped in blood: and his name is called The Word of God.*

*14 And the armies which were in heaven followed him upon white horses, CLOTHED IN FINE LINEN, WHITE AND CLEAN.*

*15 And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he [through the Church-ill Body of Americans] shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and [Second Coming in] WRATH of Almighty God.*
