

#1519 The role of the A-bomb in the Abomination of Desolation – The Lord’s July 29, 1945, judgment on and warning through the USS *Indianapolis* with the worst at-sea loss of life in the history of the U.S. Navy because of its July 26, 1945, role in the August 6, 1945, A-bomb, part 1, Introduction

The sinking of the USS *Indianapolis*. On July 26, 1945, the U.S. Navy’s USS *Indianapolis*, after 10 days at sea, completed its secret mission of sailing from San Francisco, California, to Tinian Island in the Pacific, delivering the atomic bomb that would be flown from Tinian Island and dropped on Hiroshima, Japan, on August 6, 1945.

On July 30, 1945, at 00:14, which was July 29, 1945, in the United States [and thus many sources give the date of the sinking of the USS *Indianapolis* as July 29, 1945], the USS *Indianapolis*, which had departed Tinian Island, was sailing from Guam to the Philippines, and was attacked (torpedoed) by a Japanese submarine. The result was the worst single at-sea loss of life in the history of the U.S. Navy. It was a terrible ordeal. Of the 1,196 aboard the ship when it exploded and sank, about 900 made it into the water. Few life rafts were released. While the crew floated helplessly, the first day’s sunrise was accompanied by shark attacks that would continue until the men were physically removed from the water, over four days later. Due to exposure, dehydration, and the sharks, only 317 men remained alive of the 900 who made

it into the water. A total of around 880 men died who were aboard the USS *Indianapolis*.

The USS *Indianapolis* at Tinian Island a few days before it was lost

Key Understanding: The USS *Indianapolis* is the answer to the question, What is a sign that the Lord was not in favor of the United States judging Japan with the atomic bomb? While the Lord ordained the United States to judge Japan with the August 6, 1945, atomic bomb, the Lord in turn preemptively judged the United States –

as a warning of the impending and ultimate judgment upon the United States for its use of the atomic bomb – with the July 29 (U.S. time), 1945, sinking of the USS *Indianapolis*, which had delivered the atomic bomb to Tinian Island in the Pacific Ocean on July 26, 1945.

The *Indianapolis*'s intended route
from Guam to the Philippines

Daniel 9:26-27 (KJV) And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto THE END OF THE WAR DESOLATIONS ARE

DETERMINED. [The themes of the end of the war and desolations are seen.]

27 And he shall confirm the covenant with many for one week; and in the midst of the week he shall cause the sacrifice and the oblation to cease, and FOR THE OVERSPREADING OF ABOMINATIONS HE SHALL MAKE IT DESOLATE, even until the consummation, and that determined shall be poured upon the desolate. [The theme of Abominations of Desolation is being referred to.]

Here are #1519–Doc 1 and #1519–Doc 2, about **the sinking of the USS *Indianapolis*** after the ship had delivered the atomic bomb to Tinian Island. It was/is the worst naval at-sea disaster in U.S. history.
