

#1555 The role of the A-bomb in the Abomination of Desolation – Pig Abominations, part 20, The Church-ill wallowing in the Meir: Meir resigned due to the Yom Kippur War

Review (from the two previous Unsealings): The Lord ordained the Israeli Prime Minister during the Yom Kippur War – a war which is closely associated with the theme of the Abomination of Desolation because of the potential use of Israeli nuclear weapons (but actually for much stronger reasons as well, as will be discussed) – to have the name of *Meir* (pronounced may-ear, but many Americans pronounce(d) her name as my-ear) so as to illustrate *that Christians, particularly those of the Christian New Israel who were in support of the Jewish new Israel, were (are) wallowing in the mire*. They should have been delivered from the mire, but are back in the Meir.

The following paragraph is taken from **#1555–Doc 1** (*further below*):

Disaster overtook her [Golda Meir’s] administration on Yom Kippur, 1973, when Egypt and Syria caught Israel’s defenses off guard in a coordinated surprise attack. Following bitter recriminations, **Mrs. Meir submitted her resignation and that of her government on April 11, 1974**. She continued as head of the caretaker government which successfully negotiated a disengagement of forces

agreement with Syria (following an earlier one with Egypt), until the appointment of a new government under Yitzhak Rabin on June 3. She then resigned her seat in the Knesset and retired into private life.

Key Understanding: Golda Meir’s resignation as Prime Minister was due to Israel’s failures in the Yom Kippur War, and was submitted on April 11, 1974 (though she continued as caretaker until the new government of Yitzhak Rabin began on June 3, 1974). The Lord ordained Meir’s April 11 resignation in fulfillment of 2 Peter 2:22, “the sow that was washed [returns] to her wallowing in the mire.” [The date change is 2 months less 11 days: 2:22 = February 22 + 2 months = April 22 less 11 days = April 11.]

Here is **#1555–Doc 1**, a biography of **Golda Meir** that contains the paragraph referred to *above*.
