

#1647 The Yom Kippur War and the Abomination of Desolation – The series of 4’s (fours) leading up to and surrounding the latter day(s) fulfillment of Daniel 8:9 through Harry Truman and the Atomic Bomb, part 2x, Mount Rushmore: Theodore Roosevelt and the growth of America outside the continental United States as part of the United States waxing toward the South and toward the East in fulfillment of Daniel 8:9

Theodore Roosevelt. Theodore Roosevelt became a national hero during the Spanish-American War in 1898, leading his famous cavalry regiment, the Rough Riders (pictured *right*), against the Spaniards in Cuba.

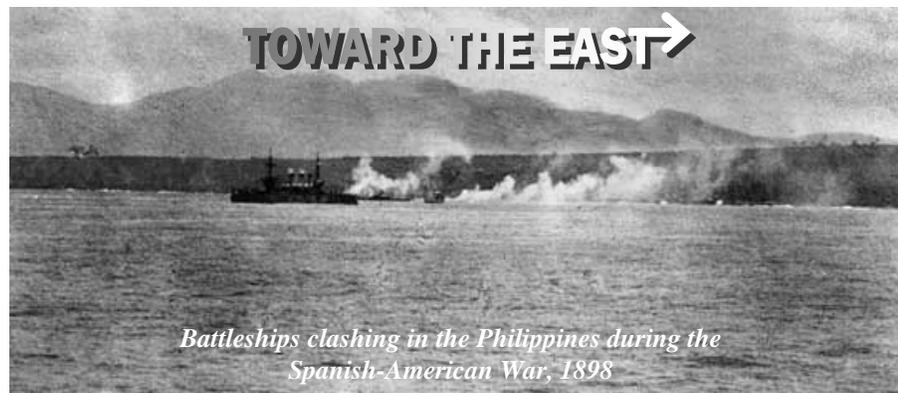

The U.S. growing toward the south and toward the east as a result of the Spanish-American War of 1898. Spain ceded Guam, Puerto Rico, and the Philippine Islands to the United States as a result of the Spanish-American War of 1898. The United States, in turn, paid \$20 million to Spain for the Philippine Islands. Thus, for the first time, America became an imperial power in the Far East. The Spanish-American War also clarified the need for a canal through the Isthmus of Panama, which separated the Caribbean Sea/Atlantic Ocean from the Pacific Ocean. The Spanish-American War thus led to the construction of the Panama Canal.

Key Understanding: Teddy Roosevelt toward the south and toward the east. The Spanish-American War of 1898, of which Theodore Roosevelt became the representative hero, resulted in the U.S. expansion outside of the continental United States toward the south (the Panama Canal) and toward the east (the Philippines in the Far East). This was a first and major step toward the fulfillment of Daniel 8:9 by the U.S., as a second Syria, growing toward the south, toward the east, and toward the pleasant land, and this is why Theodore Roosevelt is a major part of the fulfillment of the passage.

The first ship to transit the Panama Canal was the S.S. Ancon on August 15, 1914, just as the First World War was erupting in Europe

The latter day(s) fulfillment of Daniel 8:9, and Mount Rushmore: Harry Truman's United States fulfilled Daniel 8:9 as the *second* Syria, further confirmed by Mount Rushmore, whose scaled-down version of the Hall of Records was completed on August 9 (8/9), 1998, **but before that is seen Mount Rushmore's Theodore Roosevelt, leading the United States – mostly as a result of the Spanish-American War – to an expansion in power and influence *outside the continent*, toward the *south* (the Panama Canal) and toward the *east* (the Philippines).** [Note: U.S. influence toward the *pleasant land* would come in the succeeding war, World War I.]
