

**#1649 The Yom Kippur War and the Abomination of Desolation – The series of 4’s (fours) leading up to and surrounding the latter day(s) fulfillment of Daniel 8:9 through Harry Truman and the Atomic Bomb, part 2z, Mount Rushmore: New Spain/New Mexico**

**Review** (from the previous Unsealing): The combination of the rise of the United States as the Little Horn of Daniel 7:8 and the rise of the United States as the Little Horn of Daniel 8:9 can be seen in Mount Rushmore, with the *George Washington, Thomas Jefferson, and Abraham Lincoln* events that fulfilled the rise of the United States as the Little Horn of Daniel 7:8 being followed chronologically by the *Theodore Roosevelt* events that fulfilled the rise of the United States as the Little Horn of Daniel 8:9.

**Key Understanding:** *The Mexican War moved the United States from its fulfillment of Daniel 7:8 toward its fulfillment of Daniel 8:9. A key event that ushered the United States from its fulfillment of Daniel 7:8 in the age of *Washington, Jefferson, and Lincoln* to its fulfillment of Daniel 8:9 in the age of *Theodore Roosevelt* was the 1846-1848 War with Mexico, which finalized the fulfillment of Daniel 7:8 in the sense of completing the uprooting of the third of the three horns, Mexico, which had uprooted Spain in 1821. Again, the Mexican War moved the United States from its fulfillment of Daniel 7:8 toward its fulfillment of Daniel 8:9.*

Lands ceded to the U.S. in the wake of the Mexican-American War (*outlined in red*) and the Gadsden Purchase (*tan*)

The defeat of Mexico in the Mexican War in the land that had been known as New Spain until 1821 eventually resulted in and allowed the formation of the U.S. states of California, Nevada, Utah, Arizona, Colorado, and New Mexico. It is for the reason that the state of New Mexico – through (a) its name (as an extension of the name and meaning of New Spain) and (b) its history – represents the *completion* of prophecy of Daniel 7:8, *sending the United States toward its fulfillment of prophecy of Daniel 8:9, that the Lord chose the state of New Mexico to be a focal point of prophecy surrounding Daniel 8:9, thus further linking Daniel 7:8 with Daniel 8:9.* This paragraph and this Unsealing are establishing *why* the history of the state of New Mexico is linked with the key events in U.S. history that fulfill Daniel 8:9. Exactly *how* the history of the state of New Mexico is linked with the key events

in U.S. history that fulfill Daniel 8:9 will be discussed in upcoming Unsealings #1660–#1665. [So we will be getting back to this.]

Mexico had gained its independence from Spain in 1821. The map on page 1, on the right, shows the Mexican Cession of what had once been the land of New Spain to the United States under the terms of the Treaty of Guadalupe Hidalgo that ended the Mexican War in 1848.

*Daniel 7:8 (KJV) I considered the [ten] horns, and behold, there came up among them another **LITTLE HORN** [a Fifth Beast, the United States of America], before whom there were **THREE OF THE FIRST HORNS** [England, France, and Spain, uprooted by Mexico in 1821, which was then uprooted by the United States in the 1846-1848 Mexican War] plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and **A MOUTH SPEAKING GREAT THINGS** [referring to (i) the Declaration of Independence and its meaning and doctrines, first read publicly by a mouth (Col. John Nixon) on 7/8, in fulfillment of Daniel 7:8, and (ii) Gutzon Borglum expressing the purpose of Mount Rushmore and in doing so using the words “the *great things* we accomplished as a Nation”].*

The fall of Mexico City during the Mexican-American War
