

#1670 The Yom Kippur War and the Abomination of Desolation – The series of 4’s (fours) leading up to and surrounding the latter day(s) fulfillment of Daniel 8:9 through Harry Truman and the Atomic Bomb, part 4r, The Four Years from the Atlantic Charter to the Atomic Bomb: The November 7, 1962, death of Eleanor Roosevelt and the November 18, 1962, death of Niels Bohr illustrate America’s role as both a second Syria and a second Rome

Four reviews are necessary to set up the Key Understanding of this Unsealing.

Review #1 (from the Key Understanding of Unsealing #828): *The birth of Man o’ War*. The Lord ordained there to be four (4) days between the March 29, 1917, birth of Man o’ War and Woodrow Wilson’s April 2, 1917, ‘Make the World Safe for Democracy’ war message, and then another four (4) days to the April 6, 1917, entry of the United States into World War I, to further confirm America unknowingly fulfilling its destiny of establishing itself through those very events of April 2 and April 6 as *Double Fourth* (4th) Romes: the *Fourth* (4th) Rome *since the time of the beginnings of the Roman Empire*, and the *Fourth* (4th) Christian Roman Empire *of its day*.

Review #2 (from the Key Understanding of Unsealing #1668): *44 years less 4 days after the end of the war*. In concert with the two themes of (i) *4 (four)*, which has its beginnings in Genesis 4:4, and (ii) *the end of the war* – which are joined together in association with the Abomination of Desolation, wrapped around the atomic bombs and the end of World War II – Eleanor Roosevelt died on November 7, 1962, and Niels Bohr died 11 days later on November 18, 1962, because November 7, 1962, was *44 years less 4 days after the end of the war*, referring to the end of World War I on November 11, 1918.

Review #3 (from the Note in Unsealing #1668): *Double 4’s: 4 (four) days before the beginning of World War I and 4 (four) days before the end of World War I*. It is substantially for the reasons shown above [in Review #2] that the Lord ordained Billy Graham to be born on November 7, 1918, *4 (four) days before the end* of World War I, and 44 years before the death of

Eleanor Roosevelt. Furthermore, just as Man o' War (the horse) was birthed **4 (four) days before** President Woodrow Wilson's April 2, 1917, war message asking Congress **to enter the United States into the war**, Billy Graham was born on our subject date of November 7, 1918, **4 (four) days before the end of the war – World War I**. Harry Truman, the Roosevelts, and Niels Bohr would be associated with **the end of the war – World War II**. So, the Lord ordained Eleanor Roosevelt (in essence representing Franklin D. Roosevelt) and Niels Bohr, through their deaths, to be connected to **the end of World War I**, yet the essence of their lives was connected to bringing **an end to World War II**. Then, Billy Graham enters the picture again at **the start of the war – the Korean War** – exhorting President Truman to enter the United States into the conflict.]

Review #4 (from the Key Understanding of the previous Unsealing): ***The U.S. as a second Rome and double fourths, and as a second Syria and 4:4.*** The United States as both a *second Syria* and a *second Rome* is tied to 4's (fours) and even to double 4's (fours). The United States as a *second Rome* (actually Double Fourth Romes) is tied to double 4's through Rome being the fourth kingdom of Daniel chapter 2 and the fourth beast of Daniel chapter 7, while the United States as a *second Syria* is tied to double 4's through Genesis 4:4.

Genesis 4:4 (KJV) AND ABEL, HE ALSO BROUGHT OF THE FIRSTLINGS OF HIS FLOCK AND OF THE FAT THEREOF. AND THE LORD HAD RESPECT UNTO ABEL AND TO HIS OFFERING:

Key Understanding: The November 7, 1962, death of Eleanor Roosevelt and the November 18, 1962, death of Niels Bohr illustrate America's role as both a *second* Syria and a *second* Rome, for the November 7 date of their deaths (through Leviticus 11:7) points to the pig abomination theme of Syria and Antiochus IV Epiphanes (and thus points to America as a *second* Syria) through the August 9, 1945, atomic bomb, while the 1962 year of their deaths was 44 years after the end of World War I, a fact that points to America's emergence as the Double Fourth Romes (and thus points to America as a *second* Rome) in World War I.
