

#1679 The Yom Kippur War and the Abomination of Desolation – The series of 4’s (fours) leading up to and surrounding the latter day(s) fulfillment of Daniel 8:9 through Harry Truman and the Atomic Bomb, part 5g, *The Four-Power Rule over Germany: Adolf Hitler as a second Alexander the Great, (v), The most spectacular of all victory parades through the Brandenburg Gate was the celebration of Adolf Hitler’s coming to power on January 30, 1933*

Review (from Unsealing #1675): *Hitler as a second Alexander the Great.* Adolf Hitler has often been compared to Alexander the Great because (a) of the belief that both were bent on world conquest, and because (b) the empire of each lasted but for a short space of time. (Alexander the Great reigned for 12-13 years, dying on June 10, 323 B.C.; Adolf Hitler led Germany for 12 years and 3 months, from January 30, 1933, to his death on April 30, 1945.)

Review (from the previous Unsealing): The columned entrance to the Acropolis in Athens, Greece, became the model for the Brandenburg Gate, the entrance to Berlin.

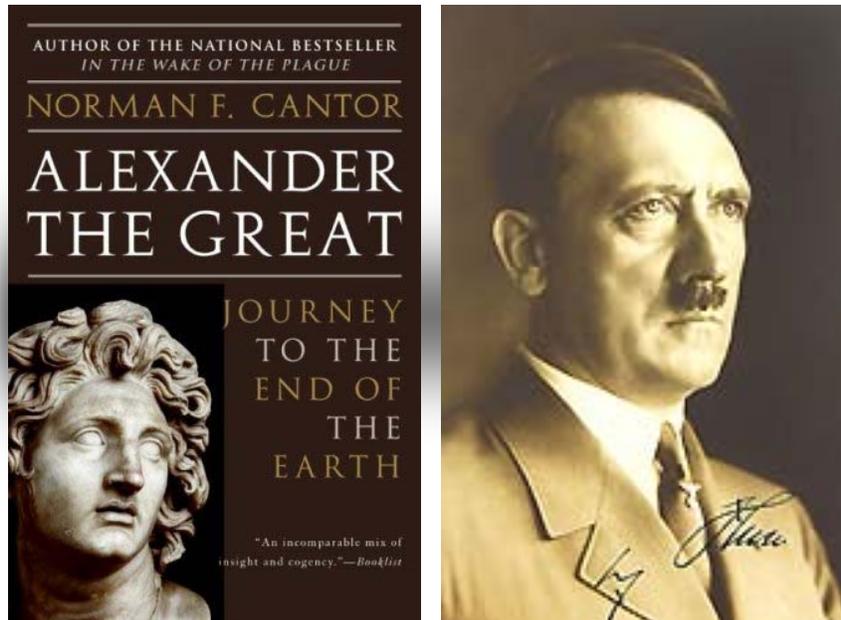

Key Understanding: *Hitler’s victory parade.* In line with the understanding that (i) Adolf Hitler was a *second Alexander the Great*, in part because of the fact that the length of their reigns were similar and considered “short”, and in line also with the understanding that (ii) the columned entrance to the Acropolis in Athens, Greece, became the model for the columned Brandenburg Gate, the Lord ordained the most spectacular of all victory parades through the Brandenburg Gate to be the celebration of Adolf Hitler’s coming to power on January 30, 1933, the beginning of the hoped-for “one thousand year” reign of the Third Reich which lasted but a 12-year short space of time.

Here is the shadow fulfillment of Daniel 8:8 by Adolf Hitler of Nazi Germany as a *second* Alexander the Great:

Daniel 8:8 (KJV) Therefore THE HE GOAT [Germany] WAXED VERY GREAT: and when he was strong, THE GREAT HORN WAS BROKEN [Adolf Hitler's suicide on April 30, 1945, and Nazi Germany's surrender on May 7, 1945, ending 12 years of rule]; and for it [from it] came up FOUR NOTABLE ONES [represented by the Four-Power Rule over post-World War II Germany by the United States, Great Britain, France, and the USSR] TOWARD THE FOUR WINDS OF HEAVEN.
