Key Understanding: *Below* are important points from Unsealings [#164](#)–[#165](#) about the Double Rome Marriages and Mussolini’s gift to Rome, Georgia, home of the wife of Woodrow Wilson.

#164 The World War I *Second* Ascension of America – The Double Rome Marriages: The Marriage of Ivan the Terrible to a Rome woman, and the Marriage of Woodrow Wilson to a Rome woman

The ‘Third Rome’ Romanov Russian Empire fell during World War I. America emerged from World War I with the position of the Fourth Rome. What verifies and clarifies this further is (a) **the marriage of Ivan the Terrible to a Roman woman**, and (b) **the marriage of Woodrow Wilson, President of the United States during World War I, to a Rome woman.**

[Rome, Georgia, was named as such because it was built on seven hills, like Rome, Italy.]

Key Understanding (of Unsealing #164): *The double Rome marriages.* The Lord ordained that Ivan the Terrible wed a Roman (Romanov) woman, which soon spawned the beginning of the Romanov Dynasty of the Russian Empire. Ivan proclaimed the Russian Empire to be the Third Rome, with there never to be a fourth. The Romanov Dynasty and the ‘Third Rome’ Russian Empire both fell in the midst of World War I. Like Ivan the Terrible, Woodrow Wilson also married a Rome woman, further verifying that America was assuming the mantle of the Fourth Rome while he was President of the United States during World War I, as the Daniel 2:40 Legs of Iron were transitioning to the Daniel 2:41-43 Feet and Toes. [Wilson’s wife, the former Ellen Axson, died on August 6, 1914, just days after World War I began.]

#165 The World War I Second Ascension of America – Rome, Italy, and Rome, Georgia

The connection between Rome, *Georgia*, and Rome, *Italy*, is further emphasized by a replica of the statue of Romulus and Remus nursing from a mother wolf, a 1929 gift from the Italian dictator Benito Mussolini (*pictured*), and a symbol of the original Rome.

Key Understanding (of Unsealing #165): *The symbolic transfer of Rome. Benito Mussolini's gift to Rome, Georgia, of a replica of the statue of Romulus and Remus nursing from a mother wolf, while*

specifically meant to represent the city of Rome, *Georgia*, as “New Rome”, is prophetically symbolic of the transfer of the mantle of the Western Roman Empire that had long ago left Rome, *Italy*, to New Rome, that is, America.
