

#1720 The Yom Kippur War and the Abomination of Desolation – The pre-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 13, *The Northwest Ordinance and Freedom: The Northwest Ordinance for the Northwest Territory was passed by the new U.S. Congress in ‘89*

The Northwest Ordinance was passed by the new U.S. Congress in 1789. The Continental Congress, under the Articles of Confederation, passed the Northwest Ordinance, creating the Northwest Territory, on July 13, 1787. On August 7, 1789, the new U.S. Congress, under the new U.S. Constitution that replaced the Articles of Confederation, affirmed the Northwest Ordinance with slight modifications. Thus . . .

Key Understanding #1: The Northwest Ordinance for the Northwest Territory was passed by the new U.S. Congress in ‘89 – 1789. This is because the event was a part of the fulfillment of Daniel 8:9.

Daniel 8:9 (KJV) And OUT OF ONE OF THEM [the *second* Syria, the United States, located in the northwest part of the world] CAME FORTH A LITTLE HORN, which waxed EXCEEDING GREAT [passing the Northwest Ordinance for the Northwest Territory in ‘89, prohibiting slavery in the Northwest Territory, with abolition eventually expanding] toward THE SOUTH [of the U.S., where slavery was permitted], and toward THE EAST [of the U.S., where slavery was permitted], and toward THE PLEASANT LAND.

Key Understanding #2: *The Northwest Territory and 1789, and the northwest territory and 1889.* As was discussed in Unsealing [#1666](#), the Dakotas that were a part of the land of the Louisiana Purchase became states in '89 – 1889. Thus, the 'George Rogers Clark' Northwest Territory is closely associated with '89 – 1789 – through the passage of the Northwest Ordinance by the new U.S. Congress in that year, while a part of the 'William Clark' northwest territory became the states of North Dakota and South Dakota (in which Mount Rushmore is located) in '89 – 1889.
