

#1729 The Yom Kippur War and the Abomination of Desolation – The pre-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 22, *Toward the South: James Monroe, the 5th President of the United States, dies on the 55th birthday of the United States, exactly 5 years after the deaths of Adams and Jefferson, (i), Excerpts from Unsealings #200–#201*

#	President	Took office	Left office	Death
2	 John Adams	March 4, 1797	March 4, 1801	July 4, 1826
3	 Thomas Jefferson	March 4, 1801	March 4, 1809	July 4, 1826
5	 James Monroe	March 4, 1817	March 4, 1825	July 4, 1831

Key Understanding: *The death of James Monroe.* An amazing fact in U.S. history is that James Monroe, the 5th President of the United States (1817-1825), died on July 4, 1831, the 55th birthday of the United States, exactly 5 years to the day after the July 4, 1826, double deaths of John Adams, the 2nd President (1797-1801), and Thomas Jefferson, the 3rd President (1801-1809), on the 50th birthday of the United States.

The '5' ('five') death of James Monroe is tied to the rise of America as the 'Little Horn' 5th Beast, the successor to the Fourth Beast in Daniel 7, the Roman Empire. [Unsealings #194–#204 constituted The 'Little Horn' Fifth Beast series.]

*Daniel 7:8 (KJV) I considered the [ten] horns, and behold, there came up among them another **LITTLE HORN [a Fifth Beast, the United States of America]**, before whom there were **THREE OF THE FIRST HORNS** [England, France, and Spain, uprooted by Mexico in 1821, which was then uprooted by the United States in the 1846-1848 Mexican War] **PLUCKED UP BY THE ROOTS**: and, behold, in this horn were eyes like the eyes of man, and **A MOUTH SPEAKING GREAT THINGS.***

Following are excerpts from Unsealings #200–#201 about the significance of the number 5 – and specifically the number 555 – surrounding the July 4, 1848, completion of the fulfillment of Daniel 7:8.

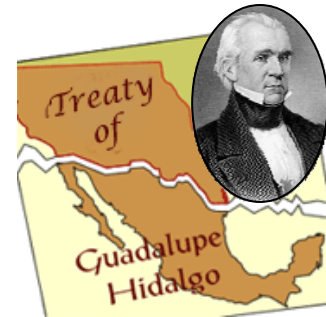

Key Understanding (of Unsealing #200): *The fifth, fifth, fifth beast.* The establishment of America as the 'Little Horn' Fifth Beast took place in three phases, through (1) the uprooting of England, to fulfill prophecy in establishing the 'Little Horn' Fifth Beast, (2) the uprooting of France, to fulfill prophecy in establishing the 'Little Horn' Fifth Beast, and (3) the uprooting of Spain-Mexico, to fulfill prophecy in establishing the 'Little Horn' Fifth Beast.

We are emphasizing Fifth, Fifth, Fifth for a reason. The three 5th phases came to a completion on July 4, 1848, when U.S. President James Knox Polk signed the Treaty of Guadalupe Hidalgo.

Key Understanding (of Unsealing #201): *The fifth, fifth, fifth beast.* July 4, 1848, would be the day of double 555's. America was fulfilling prophecy as the Fifth, Fifth, Fifth Beast through the signing of the Treaty of Guadalupe Hidalgo by President James K. Polk, and America was laying the cornerstone of the 555-foot-tall Washington Monument.

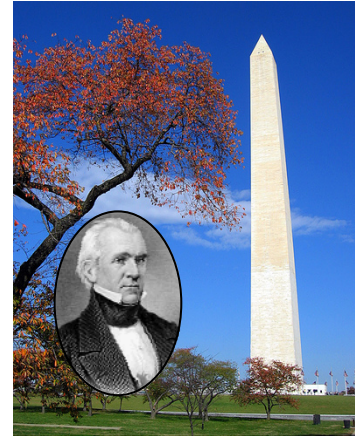

The first 555 on July 4, 1848

On July 4, 1848, the three ‘Fifth Beast’ phases of the uprooting of England, France, and Spain came to a completion when U.S. President James Knox Polk (*pictured*) signed the Treaty of Guadalupe Hidalgo. Said another way, the United States was (a) completing its destiny of rising as the ‘Little Horn’ Fifth Beast of Daniel 7:8, through (b) finalizing its uprooting of the *third* horn, represented by Spain-Mexico.

The second 555 on July 4, 1848

Not by coincidence, but by the hand of God, President James Knox Polk (*pictured*) had earlier in the day – prior to his signing of the Treaty of Guadalupe Hidalgo, representing America’s fulfillment of its Daniel 7:8 ‘Little Horn’ Fifth Beast prophetic obligations of 5-5-5 – ridden in the procession and attended the ceremonies of the laying of the cornerstone of what would become the 555-foot-tall Washington Monument.
