

#1730 The Yom Kippur War and the Abomination of Desolation – The pre-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 23, *Toward the South: James Monroe, the 5th President of the United States, dies on the 55th birthday of the United States, exactly 5 years after the deaths of Adams and Jefferson, (ii), James Monroe is tied to the ‘First Horn’ Revolutionary War through his link with Adams and Jefferson, yet is also tied to the ‘Third Horn’ Mexican War through his Monroe Doctrine and 555*

Review (from the previous Unsealing): *The July 4, 1831, death of James Monroe and 555.* James Monroe, the 5th President of the United States (1817-1825), died on July 4, 1831, the 55th birthday of the United States, exactly 5 years to the day after the July 4, 1826, double deaths of John Adams, the 2nd President (1797-1801), and Thomas Jefferson, the 3rd President (1801-1809), on the 50th birthday of the United States.

Review (from the previous Unsealing): *The July 4, 1848, end of the Mexican War and 555.* The completion of the rise of America as the ‘Little Horn’ 5th Beast occurred on July 4, 1848, with the signing of the Treaty of Guadalupe Hidalgo by U.S. President James Knox Polk. The Lord ordained the completion of the rise of the U.S. as the 5th Beast to be symbolized by the laying of the cornerstone on that day of what would become the 555-foot-high Washington Monument.

Key Understanding #1: James Monroe and the Revolutionary War; James Monroe and the Mexican War. James Monroe is tied to the ‘uprooting of the first horn’ Revolutionary War through his link with Adams and Jefferson, yet is also tied to the ‘uprooting of the third horn’ Mexican War because his ‘toward the south’ 1823 Monroe Doctrine was tied to the uprooting of Spain by Mexico in 1821.

Key Understanding #2: *James Monroe and the uprooting of Spain-Mexico.* As concerns the fulfillment of the uprooting of the third horn of Spain-Mexico in Daniel 7:8, James Monroe (who was attached to 555 primarily through his death on July 4, 1831) was closely tied to the 1st step of the uprooting of Spain by Mexico in 1821, while the James K. Polk presidential signing of the Treaty of Guadalupe Hidalgo on July 4, 1848 (which was attached to 555 through the laying of the cornerstone of the 555-foot-tall Washington Monument on the same day) represented the 2nd step of the uprooting of Mexico by the United States.

*Daniel 7:8 (KJV) I considered the [ten] horns, and behold, there came up among them another **LITTLE HORN** [a Fifth Beast, the United States of America], before whom there were **THREE OF THE FIRST HORNS** [England, France, and Spain, uprooted by Mexico in 1821, which was then uprooted by the United States in the 1846-1848 Mexican War] **PLUCKED UP BY THE ROOTS**; and, behold, in this horn were eyes like the eyes of man, and **A MOUTH SPEAKING GREAT THINGS.***
