

#1742 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1, **The Truman Doctrine**

Unsealings #1708–#1741 addressed the *pre*-World War II U.S. waxing great toward the *south* and toward the *east* as a *second* Syria/Antiochus IV Epiphanes.

This Unsealing #1742 begins to address the *post*-World War II U.S. waxing great toward the *south* and toward the *east* as a *second* Syria/Antiochus IV Epiphanes.

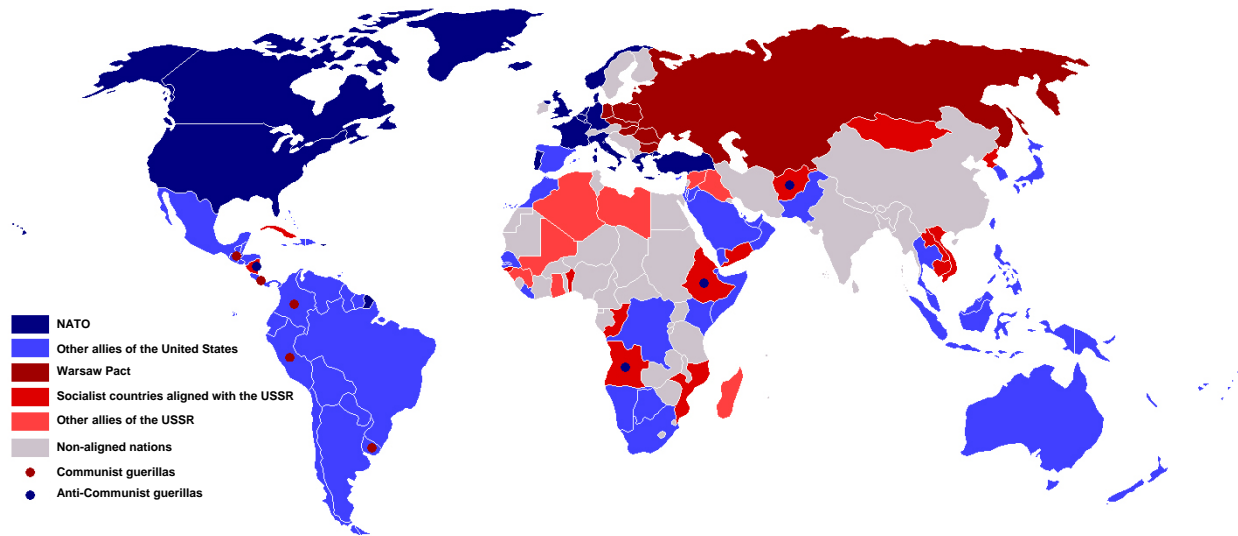

The East-West Cold War. A result of World War II was that the world order immediately consisted of two opposing superpowers, the United States and the Soviet Union. Eastern Europe was under the domination of the Soviet Union (a domination that would be solidified and formalized through the formation of the Warsaw Pact in 1955). Western Europe was allied with the United States (an alliance that was solidified and formalized through the formation of NATO in 1949). The world stage was set for the East-West Cold War. Greece, situated in the far southeast of Europe and geographically isolated from the Western European democracies, was not yet under Communist domination, as is shown on the map below.

Key Understanding: Greece, which is a focal point in the layered fulfillments of the prophecy of Daniel 8:9, would in the *post*-World War II era again play a major role as the United States fulfilled its role as a *second* Syria of Daniel 8:9.

Daniel 8:9 (KJV) And OUT OF ONE OF THEM [the *second* Syria, the United States] CAME FORTH A LITTLE HORN, which waxed EXCEEDING GREAT, toward THE SOUTH [which during the *pre*-World War II era includes (a) the impact of the United States on Latin American independence, (b) the Monroe Doctrine, (c) the U.S. gaining control over the Panama Canal Zone, and (d) the Roosevelt Corollary to the Monroe Doctrine], and toward THE EAST [which during the *post*-World War II era primarily consists of the U.S. war against and victory over the Soviet Union in the East-West Cold War], and toward THE PLEASANT LAND.

[Note: Magnify the map.]
