

#1754 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 13, *Irving Berlin: The September 22, 1989, death of Irving Berlin was ordained to occur in prophetic relationship with the November 11, 1989, opening of the Berlin Wall*

Key Understanding: The Lord designed the September 22, 1989, death of Irving Berlin to occur when it did because it was 2 months less 11 days [again the Lord used the 2-month and 11-day date changes] before the November 11, 1989, opening of the Berlin Wall.

Here are excerpts from two sources about events that occurred on November 11, 1989, in Berlin, Germany, that were associated with the November 9-11, 1989, opening of the Berlin Wall.

November 11, 1989 – the first concrete slab of the Berlin Wall was removed.

On November 11, 1989, the first gap in the Wall was made, to the cheering of the crowd. By Christmas the Wall was partially down, and the Brandenburg Gate was again the great historic monument of Berlin, and not a segment of the Wall.

. . . Over the 28 years the wall stood separating East from West, hundreds of East Berliners were killed while trying to escape to the West by climbing over the wall. This section on display was cut from an inner city section of the wall very near the Brandenburg Gate. The graffiti is original and appears as it did on November 11, 1989, when the Eastern part of the city was re-opened.

Review: The September 22, 1989, death of Irving Berlin occurred near the time of the November 9-11, 1989, fall of the Berlin Wall, which signaled the forthcoming death of Soviet East Germany as well as the impending demise of the Soviet Union itself, as part of the United States of America waxing great toward the *east* through its defeat of the Soviet Union in fulfillment of Daniel 8:9.

Daniel 8:9 (KJV) *And OUT OF ONE OF THEM* [the *second* Syria, the United States] *CAME FORTH A LITTLE HORN, which waxed EXCEEDING GREAT, toward THE SOUTH, and toward THE EAST* [which includes the post-World War II era U.S. victory over the Soviet Union in the East-West Cold War, which had *beginnings* wrapped around the Truman Doctrine that helped prevent Greece from falling into the Soviet sphere, and had *endings* wrapped around the 1989 fall of the Berlin Wall], *and toward THE PLEASANT LAND.*
