

#1789 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 48, *Irving Berlin and God Bless America: The LIE Hurricane of 1938 prophetically represented the U.S. wind carrying away Nazi Germany in World War II*

Review (from Unsealing [#1787](#)): Not only were the Revelation 17:10 double 7th kingdoms of Germany and the Soviet Union prophetically *gone with the wind* at the hands of the United States of America in World War II and the Cold War, respectively, but the Lord ordained a specific *hurricane* to represent each *gone with the wind* event. The Lord ordained the hurricane of September 21-22, 1938, which struck New England and which came to be called by many the Long Island Express, to represent the U.S. *wind carrying away* Nazi Germany in World War II. Similarly, the Lord ordained Hurricane Hugo of September 21-22, 1989, which struck Charleston, South Carolina, to represent the U.S. *wind carrying away* the Soviet Union in the Cold War. However . . .

Key Understanding: To underscore the fact that the World War II defeat by America and its democracy (God Bless America!) of Germany and its tyranny represented the LIE in the spiritual realm that the ‘*Gone With The Wind*’ *wind carrying away* Nazi Germany established the Lord’s type of government upon the earth, the Lord ordained the hurricane of 1938 to be called the Long Island Express (LIE).

The title of a book (*right*) about the 1938 hurricane, *A Wind to Shake the World*, is entirely appropriate for the prophetic meaning of the storm.

Daniel 2:35 (KJV) Then was THE IRON, THE CLAY, THE BRASS [Greece of Alexander the Great], THE SILVER [Media-Persia], AND THE GOLD [Babylon], BROKEN TO PIECES TOGETHER, and became like the chaff of the summer threshingfloors; and THE WIND CARRIED THEM AWAY, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.

Here is **#1789–Doc 1**, about **the Great New England Hurricane of 1938**, often referred to as the Long Island Express. There are many excellent sites about the hurricane, with a great number of pictures available. It was truly the Storm of the 20th Century for New England. As you read through the article, particularly note the sentence, “In New England [on that day of September 21, 1938, before the storm hit unexpectedly], people turned their attention to Europe, where Adolf Hitler was poised to invade Czechoslovakia.” That sentence is key to understanding more fully the prophetic purpose for the hurricane of 1938 occurring at that time, and it will be elaborated upon beginning in the next Unsealing.
