**Key Understanding:** *Two great hurricanes of September 21, 1938.* The Lord ordained the September 21, 1938, Great New England Hurricane to point to the great Nazi German hurricane blowing against Czechoslovakia on that very same day, September 21, 1938.

On September 21, 1938, the entire world watched as Czechoslovakia, under intense pressure to avoid war with Germany, agreed to cede its Sudeten territory to Germany. Sources on the September 21, 1938, Great New England Hurricane do not fail to mention that the September 1938 Czech-German crisis was occurring at that same time and even on that same day, and that the Czech-German crisis was of such magnitude in the world news that it overshadowed the enormity of the disaster that had taken place in New England. Again, the Lord ordained the September 21, 1938, Great New England Hurricane to prophetically point to the mighty Hitler/German wind that was also blowing on that day and that would soon cast the nations of the world into World War II.

The appropriate prophetic passage for these events is Matthew 7:24-27. The passage will be discussed in more depth beginning in Unsealing [#1796](#).

*Matthew 7:24-27 (KJV) Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock:  
25 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock.*

26 *And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand:*  
27 *And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.*
