

**#1827** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 86, *The Great Colonial Hurricane of 1635: The Great New England Hurricane of 1938 is often paired with the Great Colonial Hurricane of 1635*

**Key Understanding #1: The Great New England Hurricane of 1938 is often compared to and paired with what became known as the Great Colonial Hurricane of 1635.**

[The Great Colonial Hurricane of 1635 occurred on August 25, 1635, New Style, which at that time would have been August 15, 1635, Old Style.]

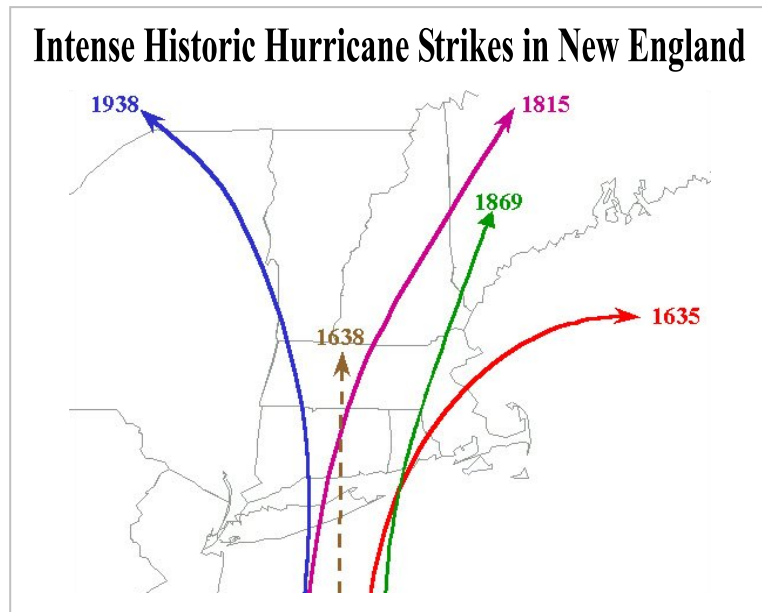

- **#1827–Doc 1** below is one example of many sources that pair **the Great New England Hurricane of 1938 with the Great Colonial Hurricane of 1635**. It is titled ‘The Great Hurricanes of New England 1635, 1815, 1938’ and states, “. . . in the course of the last 372 years there have been **three hurricanes that have struck New England with brute force, . . .**” The three hurricanes listed and discussed are (i) the Great Colonial Hurricane of 1635, (ii) the Great September Gale of 1815, and (iii) the Great New England Hurricane of 1938. [It is *not* necessary to read the latter part of the article that appears in the Original Source.]

- Another source provides this map (on the *right*) showing the paths of legendary hurricanes in New England’s history. The eye of the Great Colonial Hurricane of 1635 passed between the colonial towns of Boston, Massachusetts, and Plymouth, Massachusetts, on its way out to sea.

Here is **#1827–Doc 2**, which has been placed here for the sole purpose of retaining the original source that shows the map in its fullness. It is *not* necessary to go through the article.

**Key Understanding #2:** It will be shown that the Great New England Hurricane of 1938 is not only *historically* linked with the Great Colonial Hurricane of 1635 – because both were catastrophic hurricanes which struck New England – but *prophetically* linked as well.

Because the Great New England Hurricane of September 21, 1938, is tied to the passage of Matthew 7:26-27, those verses will be designated as the key verses for this Unsealing about the Great Colonial Hurricane of 1635. (The Great New England Hurricane of September 21, 1938, is spiritually/prophetically connected to Matthew 7:26-27 by way of Winston Churchill's rise to power as a result of the September 21, 1938, appeasement of Adolf Hitler by Britain's Neville Chamberlain in the Czech-German crisis, all of which eventually led to Dunkirk, which represented the theme of "Church on the Sand" in a direct fulfillment of Matthew 7:26.)

*Matthew 7:26-27 (KJV) And every one that heareth these sayings of mine, and doeth them not, shall be likened unto A FOOLISH MAN, WHICH BUILT HIS HOUSE UPON THE SAND [Church-ill on the Sand at Dunkirk, directly relating back to the September 21, 1938, appeasement of Hitler by Chamberlain in the Czech-German crisis]:  
27 AND THE RAIN DESCENDED, AND THE FLOODS CAME, AND THE WINDS BLEW, and beat upon that house; and it fell: and GREAT WAS THE FALL OF IT.*
