

**#1859** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 118, *An Angel riding in the Whirlwind and directing the Storm: The Angel Gabriel riding in the whirlwind and directing the storm of the Revolutionary War, (ii)*

**Review** (from the previous Unsealing): *The angel Gabriel riding in the whirlwind and directing the storm of the Revolutionary War.* Because the Thatcher-Churchill-Mather Great Colonial Hurricane of 1635 (i) was attached to the *Angel Gabriel*, yet also (ii) represented the Revolutionary War, it is clear that the angel Gabriel is prophetically designed by the Lord to be – using the words of John Page – the angel who rode in the whirlwind and directed the storm of the Revolutionary War. However, the understanding of the

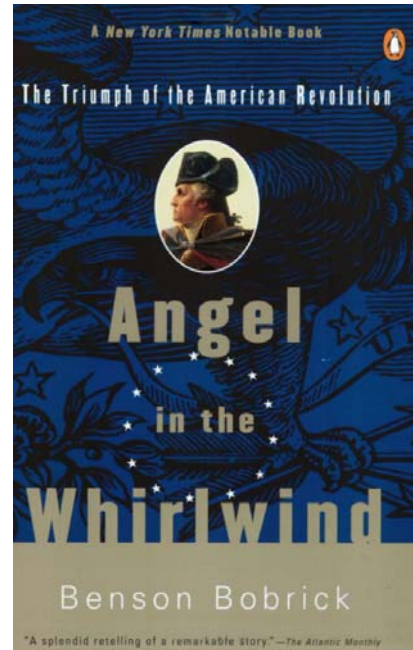

angel Gabriel riding in the whirlwind and directing the storm of the Revolutionary War has two entirely different meanings depending upon whose viewpoint is accepted – that of John Page/George W. Bush or that of the Lord.

**Key Understanding #1: *The John Page viewpoint of the angel Gabriel and the Revolutionary War.*** From the

viewpoint of John Page (*left*), the angel Gabriel would have been riding in the whirlwind and directing the storm of the Revolutionary War on behalf of a God-directed *freedom wind* of “the people” of the United States carrying away the tyranny of King George III and Great Britain.

**Key Understanding #2: *The Lord’s viewpoint of the angel Gabriel and the Revolutionary War.*** From the viewpoint of the Lord, the angel Gabriel riding in the whirlwind and directing the storm of the Revolutionary War was symbolic of the United States of America beginning its fulfillment of the *stern-faced king* (Daniel 8:23) that/who destroys *the mighty men and the holy people* (Daniel 8:24), as part of the overall passage of Daniel 8 in which the angel Gabriel is sent by the Lord to give the interpretation thereof to Daniel (Daniel 8:15-16). In other words, because the angel Gabriel was sent to interpret the passage to Daniel, and because it is the nation of the

United States of America that fulfills the *latter day(s)* part of the passage – *the latter part of their reign when rebels become completely wicked* – the Lord ordained the proper interpretation of the *latter day(s)* part of the passage to include the theme surrounding the angel Gabriel, which is, specifically, the construction of the theme by John Page that an angel – who in the Lord’s design is the angel Gabriel – rides in the whirlwinds and directs the storms of the U.S. ‘Church-ill’ wars that fulfill the passage.

[What you should also get out of this is that the Lord ordained John Page to write about an angel riding in the whirlwind and directing the storm of the Revolutionary War, and then ordained George W. Bush to refer to it, to confirm the understanding that the wars of the ‘stern-faced king’ United States of America are to be found in Daniel 8 if the passage is interpreted properly.]

*Daniel 8:23-24 (NIV) “In THE LATTER PART OF THEIR REIGN, when rebels have become completely wicked, A STERN-FACED KING, a master of intrigue, will arise. 24 He will become very strong, but not by his own power. He will cause astounding devastation and will succeed in whatever he does. HE WILL DESTROY THE MIGHTY MEN AND THE HOLY PEOPLE.*
