

**#1860** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 119, *An Angel riding in the Whirlwind and directing the Storm: The Angel Gabriel riding in the whirlwind and directing (i) the storm of the ‘John Page’ Revolutionary War and (ii) the storm of the ‘George W. Bush’ Iraq War*

*Daniel 8:15-16 (KJV) And it came to pass, when I, even I Daniel, had seen the vision, and sought for the meaning, then, behold, there stood before me as THE APPEARANCE OF A MAN. [The appearance of a “man” in Daniel 8:15 is that of the archangel Gabriel who was sent by the Lord to interpret the vision of the ram and the he-goat in Daniel 8.]*

*16 And I heard a man’s voice between the banks of Ulai, which called, and said, GABRIEL, MAKE THIS MAN TO UNDERSTAND THE VISION.*

**Review** (from the previous two Unsealings): *The angel Gabriel riding in the whirlwind and directing the storm of the Revolutionary War.* Because the Thatcher-Churchill-Mather Great Colonial Hurricane of 1635 (i) was attached to the *Angel Gabriel*, yet also (ii) represented the Revolutionary War, it is clear that the angel Gabriel is prophetically designed by the Lord to be – using the words of John Page – the angel who rode in the whirlwind and directed the storm of the Revolutionary War.

*Angel Gabriel sailing to Pemaquid, August 13, 1635*

**Key Understanding:** *The angel Gabriel riding in the whirlwinds and directing the storms of the Revolutionary War and the Iraq War.* If it was the angel Gabriel who was prophetically designed by the Lord to be the angel who rode in the whirlwind and directed the storm of the ‘John Page/Thomas Jefferson’ Revolutionary War, then the Lord meant for it to be the angel Gabriel who rode in the whirlwind and directed the storm of the ‘George W. Bush’ 2003 (start of the) Iraq War, the genesis of which was the terrorist attacks of 9-11, which occurred just a few months after George W. Bush’s January 20, 2001, ‘angel riding in the whirlwind and directing the storm’ inauguration speech.

“This work continues. This story goes on. And an angel still rides in the whirlwind and directs this storm.”
