

**#1865** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 124, ***An Angel riding in the Whirlwind and directing the Storm: Great Britain as a second Assyria and thus the United States as a second Babylon in the Revolutionary War***

“After the Declaration of Independence was signed, Virginia statesman John Page wrote to Thomas Jefferson: ***‘We know the race is not to the swift nor the battle to the strong. Do you not think an angel rides in the whirlwind and directs this storm?’***” *George W. Bush, January 20, 2001, inauguration speech*

***Nahum 1:3 (KJV) The LORD is slow to anger, and great in power, and will not at all acquit the wicked: the LORD hath his way in the whirlwind and in the storm, and the clouds are the dust of his feet.***

Great Britain (*upper right*) was a type of Assyria (*upper left*).  
America (*lower right*) was a type of Babylon (*lower left*), defeating Assyria.

**Key Understanding #1: Great Britain, a second Assyria.** Since Virginia statesman John Page was taking from Nahum 1:3 as concerns the American Revolution representing a whirlwind and storm against Great Britain, and since the whirlwind and storm of Nahum 1:3 were referring to the coming destruction of Nineveh and the empire of the Assyrians, John Page was essentially likening the British Empire to the Assyrian Empire. Simply, Great Britain was a type of Assyria.

**Key Understanding #2: If Great Britain was a type of Assyria in the Revolutionary War, and because Assyria was defeated by Babylon and the Medes, and since it was America that defeated Great Britain in the Revolutionary War, it is clear that America assumed the roles of (i) Babylon and (ii) Media at its Revolutionary War birth. This matches precisely with what America is in the eyes of the Lord, (i) a second Daniel 2:38 Babylon – the revived stump of Old Babylon [reference Unsealings #623–#631, and see the Review below], that is, Babylon the Great of the last days – and (ii) a second (but counterfeit) Daniel 2:39 Media-Persia, because it would eventually serve in the role of the (counterfeit) deliverer of Israel.**

**Review** (from Unsealing #624): *The Babylon Stump.* the city of Boston, Lincolnshire, England, and its church, Boston Stump, were conspicuous in establishing the roots of the United States of America, Babylon the Great. A key passage for this particular prophetic understanding is Daniel 4:13-15. It is about the Lord deposing Nebuchadnezzar from his rule of Babylon, *but leaving the stump and roots of Nebuchadnezzar’s kingship over Babylon in the earth.*

*Daniel 4:13-15 (KJV) I saw in the visions of my head upon my bed, and, behold, a watcher and an holy one came down from heaven;  
14 He cried aloud, and said thus, Hew down the tree, and cut off his branches, shake off his leaves, and scatter his fruit: let the beasts get away from under it, and the fowls from his branches:*

*15 Nevertheless **LEAVE THE STUMP OF HIS ROOTS IN THE EARTH**, even with a band of iron and brass, in the tender grass of the field; and let it be wet with the dew of heaven, and let his portion be with the beasts in the grass of the earth:*

***Daniel 5:22 (KJV) And thou his [Nebuchadnezzar's] son [descendant, actually grandson], O Belshazzar, hast not humbled thine heart, though thou knewest all this;***

**Review** (from Unsealings [#628–#630](#)): The reason why the Lord wants such a close connection between Nebuchadnezzar and Belshazzar, clearly understood through the Lord's strong and deliberate comparison of Belshazzar to Nebuchadnezzar in Daniel 5, is because the Lord – through the seen Nebuchadnezzar Stump with roots (Daniel 4:15, 23, 26), which is referring to the fall and dormancy of *the man* Nebuchadnezzar only, but *not* the fall and dormancy of *the entire kingdom* of Babylon – is pointing to an unseen Babylon Stump with roots, which *is* representing the fall and dormancy of *the entire kingdom* of Babylon. And, just as the Nebuchadnezzar Stump points to the restoration of Nebuchadnezzar, the unseen Babylon Stump points to the restoration of Babylon – in the form of Babylon the Great, of course.
