

**#1866** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 125, *An Angel riding in the Whirlwind and directing the Storm: America as (i) the Babylon Stump at the time of the Angel Gabriel 1635 Great Colonial Hurricane, and as (ii) Babylon at the time of the John Page/Thomas Jefferson ‘an angel rides in the whirlwind and directs this storm’ Revolutionary War*

“After the Declaration of Independence was signed, Virginia statesman John Page wrote to Thomas Jefferson: ‘We know the race is not to the swift nor the battle to the strong. Do you not think an angel rides in the whirlwind and directs this storm?’” *George W. Bush, January 20, 2001, inauguration speech*

*Nahum 1:3 (KJV) The LORD is slow to anger, and great in power, and will not at all acquit the wicked: the LORD hath his way in the whirlwind and in the storm, and the clouds are the dust of his feet.*

**Review:** *The angel Gabriel riding in the whirlwind and directing the storm of the Revolutionary War.* Because the Thatcher-Churchill-Mather Great Colonial Hurricane of 1635 (i) was attached to the *Angel Gabriel*, yet also (ii) represented the Revolutionary War, it is clear that the angel Gabriel is prophetically designed by the Lord to be – using the words of John Page – the angel who rode in the whirlwind and directed the storm of the Revolutionary War.

**America was Babylon at its colonial birth in the 1630’s (left), and America was Babylon at its national birth through the Revolutionary War (right).**

**Key Understanding: *America as Babylon at its colonial birth in the 1630's, and America as Babylon at its national birth through the Revolutionary War.* The United States of America (i) was Babylon at its colonial birth in the 1630's, through its growing out of the 'Boston Stump-Babylon Stump' Great Puritan Migration, the prophetic story of which included the event of the *Angel Gabriel* Great Colonial Hurricane of 1635, and (ii) was Babylon at the time of its John Page/Thomas Jefferson 'an angel rides in the whirlwind and directs this storm' Revolutionary War national birth in 1776, for Page's borrowing from Nahum 1:3 placed Britain in the role of Assyria.**
