

#1867 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 126, *An Angel riding in the Whirlwind and directing the Storm: The Triple 7th Kingdoms of Great Britain (Revolutionary War), Nazi Germany (World War II), and the Soviet Union (the Cold War), and then Saddam Hussein’s Iraq, were each in the role of Assyria*

“After the Declaration of Independence was signed, Virginia statesman John Page wrote to Thomas Jefferson: ‘We know the race is not to the swift nor the battle to the strong. Do you not think an angel rides in the whirlwind and directs this storm?’” *George W. Bush, January 20, 2001, inauguration speech*

Nahum 1:3 (KJV) The LORD is slow to anger, and great in power, and will not at all acquit the wicked: the LORD hath his way in the whirlwind and in the storm, and the clouds are the dust of his feet.

Review: A good deal of time has been spent outlining the series of threes (3’s) surrounding the Thatcher-Church-ill hurricanes of 1635 and 1938 and 1989, which are prophetically tied to America’s Revolutionary War defeat of Great Britain, its World War II defeat of Nazi Germany, and its Cold War defeat of the Soviet Union, respectively.

Key Understanding #1: The Assyrias. Because the Thatcher-Church-ill hurricanes are each a part of the prophetic John Page/Thomas Jefferson ‘an angel rides in the whirlwind and directs this storm’ theme of Nahum 1:3, it is clear that the defeated triple 7th kingdoms of Great Britain in the Revolutionary War, Nazi Germany in World War II, and the Soviet Union in the Cold War each played the role of a *second* Assyria, while the United States of America grew in its destiny as the *second* Babylon, that is, Babylon the Great.

<p>Nazi Germany World War II</p>	
<p>Soviet Union Cold War</p>	
<p>Saddam Hussein’s Iraq Gulf War/Iraq War</p>	

Key Understanding #2: Because George W. Bush's close of his inaugural address of January 20, 2001, of "After the Declaration of Independence was signed, Virginia statesman John Page wrote to Thomas Jefferson: '*We know the race is not to the swift nor the battle to the strong. Do you not think an angel rides in the whirlwind and directs this storm?*'" prophetically pointed to the forthcoming Iraq War between Saddam Hussein-led Iraq and the United States, it is clear that Saddam Hussein-led Iraq was also in the role of a *second* Assyria, with America in its true role as the *second* Babylon, that is, Babylon the Great. Of course, this matches up precisely with the understanding that Saddam Hussein-led Iraq played the role as the *pretender second* Babylon [reference Unsealings [#380](#), [#823](#)–[#824](#), [#876](#)–[#877](#)], with America playing its role as the *true second* Babylon, that is, Babylon the Great.

Key Understanding #3: Obviously, George W. Bush's 2001 inaugural address closing concerning John Page's written words to Thomas Jefferson served the purpose of further clarifying that the adversaries of the United States in its wars throughout the course of its history were in the role of *second* Assyrias as the United States grew in its destiny as the *second* Babylon, that is, Babylon the Great.
