

#1885 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 144, *An Angel riding in the Whirlwind and directing the Storm: The Micah 5:5 Assyrian vs. the Micah 5:5 Seven Shepherds, (xviii), Worshipping the U.S. through the ‘Seven Shepards’ Space Race to the Moon was Sin*

Sin and sin. Apparently the root of the name of the moon god *Sin* is not connected to the English word *sin*. However, the two look and sound the same, and indeed, the Lord meant for them to be seen as being closely related.

Deuteronomy 17:2-3 (KJV) If there be found among you, within any of thy gates which the LORD thy God giveth thee, man or woman, that hath wrought wickedness in the sight of the LORD thy God, in transgressing his covenant,
3 AND HATH GONE AND SERVED OTHER GODS, AND WORSHIPPED THEM,
either the sun, or MOON, or any of the host of heaven, which I have not commanded;

Key Understanding: The U.S. vs. USSR space race to the *moon* is a part of Micah 5:5 because of the role of Sennacherib – the first part (Senn) of whose name comes from the moon god *Sin* – as the antichrist figure in the passage. While the name of the moon god *Sin* is not connected etymologically to the English word *sin*, the Lord means for them to be prophetically linked in Micah 5:5. Specifically, with the *moon* as the prize, millions of hearts were worshipping a victory for the seven shepherds in the U.S. vs. USSR space race, as if the United States was representing heaven and the Lord, while the USSR represented the fallen earth. The Lord counted the idolatry of the hearts oriented toward the United States as *sin*, for, in the race to the *moon*, the Church-ill was serving and worshipping the *other gods* that the United States stood for.

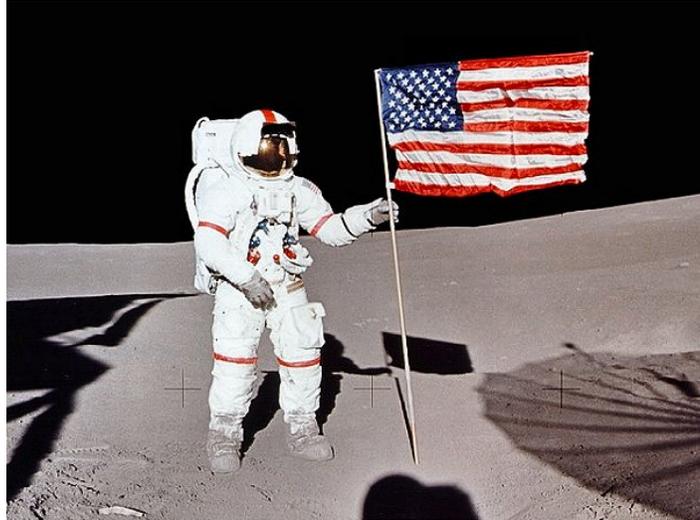

“That’s one small step for man; one giant leap for mankind.” The famous proclamation of Neil Armstrong as he stepped off the landing module and onto the lunar surface.

*Deuteronomy 17:3 (KJV) **AND HATH GONE AND SERVED OTHER GODS, AND WORSHIPPED THEM,** either the sun, or MOON, or any of the host of heaven, which I have not commanded;*

*Micah 5:5-6 (KJV) And this man shall be the peace, **WHEN THE ASSYRIAN SHALL COME INTO OUR LAND**: and when he shall tread in our palaces, **THEN WE SHALL RAISE AGAINST HIM SEVEN SHEPHERDS**, and eight principal men.*

*6 And they shall waste the land of Assyria with the sword, and the land of Nimrod in the entrances thereof: **THUS SHALL HE DELIVER US FROM THE ASSYRIAN**, when he cometh into our land, and when he treadeth within our borders.*

Alan Shepard (pictured on the moon) finally made it to the moon on February 5, 1971, as the commander of Apollo 14 (January 31, 1971-February 9, 1971), the eighth manned mission in the Apollo program and the third mission to land on the moon.
