**#408** The Second Oswald Head Wounds – The two Space Race connections between the “forerunner” 7th Head Great Britain and the 7th Head Red Beast USSR

**Key Understanding:** *The Lovell connection and the Oswald connection.* There were two Revelation 17:10 ‘Space Race to the moon’ connections between the “at the beginning” and “forerunner” 7th Head Great Britain and “the time of the end” 7th Head Red Beast USSR. They are:

(1) **The two men named James Lovell.** There was a James Lovell associated with the Revolutionary War. Then, James Lovell the astronaut was one of the first three men to circle the moon, in Apollo 8 on December 24, 1968. It was a defining moment in the Space Race.

The defeat of Great Britain and kings

(2) **The two Oswald Head Wounds.** Richard Oswald was associated with the end of the Revolutionary War and the Head Wound to Great Britain. Then, Lee Harvey Oswald gave a deadly head wound to John F. Kennedy, who in turn posthumously delivered the Space Race Head Wound to the 7th Head Soviet Union.

The defeat of the Soviet Union and Communism

The purpose of the Space Race connections between the “forerunner” 7th Head Great Britain and the 7th Head Red Beast USSR, even though the Revolutionary War was not part of

the Space Race, is to confirm that Great Britain should indeed be considered a 7th Head, but categorized as a “forerunner” 7th Head.

***Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS*** [the “forerunner” 7th Head, Great Britain] ***AS IT WERE WOUNDED TO DEATH*** [in the Revolutionary War]; ***AND HIS DEADLY WOUND WAS HEALED: and all the world wondered after the beast.***

Remember, the Revolutionary War represented Democracy bringing forth the “death” of *Kings*, just as World War II represented Democracy putting to death *Fascism*, and the Cold War represented Democracy putting to death *Soviet Communism*. Thus, the wounding “to death” of Great Britain was not the demise of the country itself, but the waning of the type of earthly governmental system of the people serving the king, rather than the king serving the people.
