

#1979 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 238, **The House of Orange, (xvi), Repeat of Unsealing #734 about the Double Eight (88) Kingdoms of England and America – Why the Netherlands represented a *spiritual* Pit**

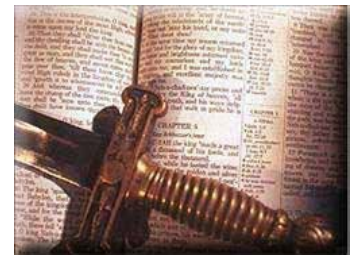

*Daniel 7:11 (KJV) I beheld then because of **THE VOICE OF THE GREAT WORDS WHICH THE HORN SPAKE** [represented by John F. Kennedy’s inauguration speech of January 20, 1961]: **I BEHELD EVEN TILL THE BEAST WAS SLAIN** [warned about through the presaging event of the November 22, 1963, Oswald assassination of John F. Kennedy], **AND HIS BODY DESTROYED, AND GIVEN TO THE** [eternal] **BURNING** [orange] **FLAME** [warned about through the eternal flame placed on the gravesite of John F. Kennedy at his burial on November 25, 1963].*

In order to thoroughly incorporate the prophetic theme of the House of Orange into what has already been covered in the Unsealings, a review of where we have been concerning the role of the Netherlands in prophecy is necessary. *Below* is a repeat of Unsealing [#734](#).

#734 The Double Eight (88) Kingdoms of England and America – Why the Netherlands represented a *spiritual* Pit

The Cross vs. the Sword. The *ultimate* common-denominator root doctrinal problem with the Roman Catholic Spanish Empire, the Protestant Netherlands that revolted out of it, and the Protestant British Empire that was solidified by the Protestant Netherlands, was that they each represented *sword-bearing* Christianity. The sword-bearing, wrong in itself, defended further false doctrines. In the case of Protestantism, it was the “rights of man.”

The successive and cumulative pits. In other words, the *sword-bearing* Roman Catholic Spanish Empire represented doctrines of demons from the pit, and the *sword-bearing* Protestant Netherlands that broke from the *sword-bearing* Roman Catholics also signified doctrines of demons from the pit. Finally, the *sword-bearing* British Empire of Sir Francis Drake (representing the defeat of the Roman Catholic Spanish Armada in 1588) and William III, Prince of Orange (representing the defeat of Roman Catholic James II in 1688), which ‘rose’ out of the Netherlands pit, assumed the mantle of the Netherlands pit.

Key Understanding: *Why the Netherlands represented a spiritual pit. Because its geographic situation lent itself a name connected with the netherworld, or pit, the land of the Netherlands was specifically ordained by the Lord to become the location of a Protestant kingdom spiritually representing the netherworld, or pit, because its sword-carrying doctrines were from the pit.*

The *sword-bearing* Protestant Netherlands arose out of the *sword-bearing* Roman Catholic Spanish pit to become the Pit itself, from which *sword-bearing* Protestant England emerged as the Pit.

Revelation 17:08 (KJV) THE BEAST [the 8th Kingdom, as is seen in Revelation 17:11] *that thou sawest was, and is not; and SHALL ASCEND OUT OF THE BOTTOMLESS PIT* [America’s ascension as the 8th Kingdom included the initial phase of Protestant England ‘rising’ out of the Netherlands, represented through (a) the defeat of the Spanish Armada on 8/8 of ‘88 (1588), that is, 8/8 of the 88th year of the 8th century after the 8th century, and (b) the successful invasion of the Dutch Armada which began on October 19 (O.S.) = 8/8 of ‘88 (1688)], *and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.*
