

#1993 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 252, **The House of Orange, (xxx), Princeton/Princeton University, named after William III, Prince of Orange-Nassau, played a major role in both the Revolutionary War *first* ascension of America and the World War I *second* ascension of America out of the England-Netherlands Pit**

Unsealing [#1981](#) began the studies of how Princeton/Princeton University played a major role in the Revolutionary War as a part of the prophetic theme of the House of Orange. However . . .

Key Understanding #1: Princeton. Princeton University, named after William III, Prince of Orange-Nassau, played a major role in both the Revolutionary War *first* ascension of America and the World War I *second* ascension of America.

Key Understanding #2: Two presidents of Princeton. Furthermore, two presidents of Princeton University, one during the Revolutionary War (John Witherspoon, the only ordained clergyman to sign the Declaration of Independence), and one who was the President of the United States during World War I (U.S. President Woodrow Wilson), serve as the focal point of the revelation of Princeton playing a major role in both the Revolutionary War *first* ascension of America and the World War I *second* ascension of America to become the ‘House of Orange’ Beast out of the England-Netherlands pit.
