Key Understanding (which is similar to that of the previous two Unsealings): *Two presidents of Princeton*. Two presidents of Princeton University, one during the Revolutionary War (John Witherspoon, the only ordained clergyman to sign the Declaration of Independence), and one who was the President of the United States during World War I (U.S. President Woodrow Wilson, pictured on the right), serve as the focal point of the revelation of Princeton playing a major role in **both** the Revolutionary War *first* ascension of America **and** the World War I *second* ascension of America (which we are emphasizing in this Unsealing) to become the ‘House of Orange’ Beast out of the England-Netherlands pit.

*Daniel 7:11 (KJV) . . . **I BEHELD EVEN TILL THE BEAST WAS SLAIN** [warned about through the presaging event of the November 22, 1963, Oswald assassination of John F. Kennedy], **AND HIS BODY DESTROYED, AND GIVEN TO THE** [eternal] **BURNING** [House of Orange] **FLAME** [warned about through the eternal flame placed on the gravesite of John F. Kennedy at his burial on November 25, 1963].*

#924 The Woman is also the John Calvin Church/State – The John Calvinists in the *second ascension of the Beast out of the Pit, part 1, Woodrow Wilson, the Presbyterian President of Princeton, and the Presbyterian President of the United States*

Key Understanding: *The Presbyterian President of the United States.* To illustrate the aspect of the United States of America being a John Calvin church/state, the Lord ordained the double of (i) the (6th) president of (Presbyterian) Princeton University during the Revolutionary War, John Witherspoon, playing a vital role in the *first ascension of America*, and (ii) a later (the 13th) president of (Presbyterian) Princeton University, Woodrow Wilson, becoming President of the United States during the *second ascension of America in World War I*. In fact, strangely enough, the presidency of Princeton would launch Wilson to the position of President of the United States.

Here are facts about Woodrow Wilson being the Presbyterian President. (The following two paragraphs are a repeat of Unsealing [#180](#) Making the World Safe for Democracy – The Presbyterian President.)

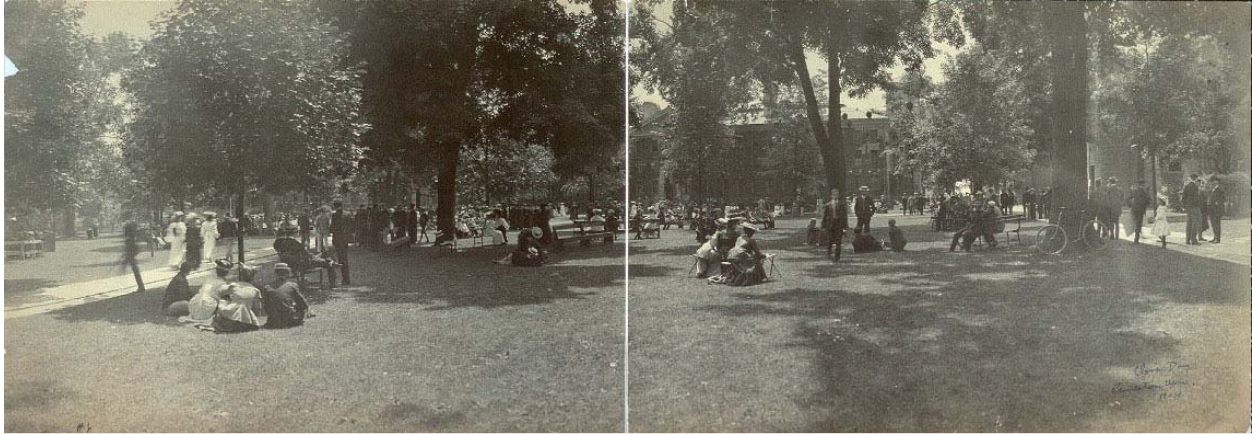

Woodrow Wilson, the Presbyterian President. Thomas Woodrow Wilson was born in Staunton, Virginia, on December 28 or 29, 1856. He always gave December 28 as his birthday, but the Wilson family Bible indicates that he was born at 12:45 a.m. on December 29. His ancestry was Scottish and Scotch-Irish. Woodrow Wilson's mother, Janet Woodrow, was the daughter of a Presbyterian minister. Wilson's father, Joseph R. Wilson, was also a Presbyterian minister. Although originally from the Midwest, he was a founder and leader of the southern branch of the Presbyterian Church in the United States. In 1857 the Wilsons moved to Augusta, Georgia. In 1870 they moved to Columbia, South Carolina, where Wilson's father became a professor in a Presbyterian theological seminary.

Woodrow Wilson became president of Princeton University in 1902

Woodrow Wilson attended Princeton, then known as the College of New Jersey, the fourth oldest institution of higher learning in the U.S. Only Harvard, William and Mary, and Yale are older. Princeton was originally sponsored by the Presbyterian Church. The first classes were held in the home of Jonathan Dickinson, a Presbyterian minister who served as the college's first president.

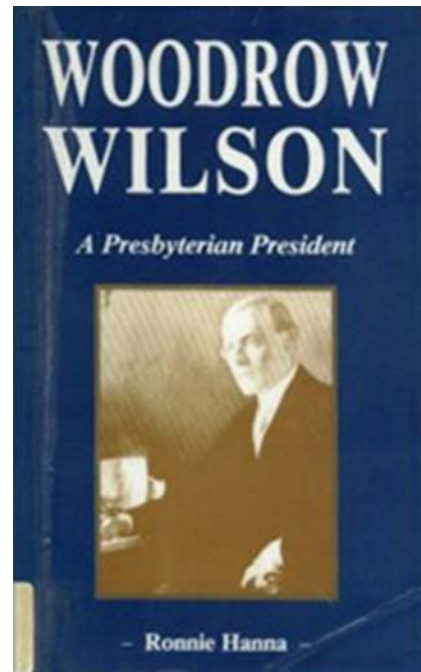

Wilson later became President of Princeton University, a position that launched him toward the governorship of New Jersey in 1910, followed by his election as the president of the United States in 1912.

In the meantime, as was covered earlier in Unsealing [#164](#) The World War I *Second Ascension* of America – The Double Rome Marriages: The Marriage of Ivan the Terrible to a Rome woman, and the Marriage of Woodrow Wilson to a Rome woman, Woodrow Wilson married Ellen Louise Axson, whose father had been a Presbyterian minister in Rome, Georgia.

The Lord chose a man well known for his Christian faith, Presbyterian Protestant Woodrow Wilson, to be President of the United States during World War I, to represent the 8th Kingdom, the United States of America, as it fully received its mantle as the *Fourth Rome*. This was because the United States was receiving a *religious-political* mantle from the Third Rome, and was also receiving the *religious-political* mantle as the *Fourth Christian Roman Empire of its day*, but for the purpose of Making the World Safe for Democracy, vs. the Autocracies of the day. ‘Men of War for Democracy’ and Christianity were entirely woven together.

Revelation 17:08 (KJV) THE BEAST that thou sawest was, and is not; and SHALL ASCEND OUT OF THE BOTTOMLESS PIT [seen in a *first ascension* associated with 1708 and 1776, and, 209 “double portion of the spirit” years later, in a World War I *second ascension* in 1917], and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.

Revelation 17:18 (KJV) And THE WOMAN which thou sawest IS THAT GREAT CITY [Babylon the Great], ***which reigneth over the kings of the earth.***
